LOCAL AND DOMESTIC.

Some hoodlums were around last night disturbing the peace and quiet of our little town. They proceeded along the main street to the new house being built by Mr. J. M. Kelly and proceeding to the roof commenced delivering a lecture to an imaginary audience. They then proceeded to the river and up Jefferson street making all the noise possible. One of them appeared to be practicing on the Chinook language as we heard such words as mila, pilton, clattara, &c. Such practices ought to be abated. Our quiet citizens do not like to be disturbed by such exhibitions of rowdiness. If this thing occurs again we shall try and find out names and publish them.

AN ALTERED MAN.—Esquire Hembree has generally been accounted a very firm sort of a fellow as well as quite set in his ways. Yet these qualities sometimes are as nought against logic and against the persuasive and plausible tongue. It is told of him that he readily gave in his adhesion to the theories of the Soul Sleepers, and that upon her recent visit to this place Macame Duniway completely captured him and now reckons him among her proselytes. A rather remarkable metamorphosis.

LECTURES.—Mrs. Duniway lectured in this place on last Saturday evening, by request, "Review the Lecture of Prof. Fowler." The attendance was not large owing to the fact that there was a dance and other amusements going on at the time. Those who were there fully appreciated the efforts of the lady. On Monday evening she lectured on "The Moral Need of the Emancipation of Woman." She handled her subject well and perhaps made some new converts.

Mr. Allison hitched up his team the other morning, and upon attempting to drive them found that his horses were disposed to be unruly. He attempted to coerce them into measures when they dashed off, hitting the wagon against a stump and throwing the old gentleman out. His shoulder was considerably injured, yet he is now able to be about.

B. F. UNDERWOOD.—This gentleman will lecture at North Yamhill on Saturday, Sunday and Monday, August 2d, 3d and 4th.

Mr. U. lectures on the subject of Free Thought in contradistinction to the narrow and bigoted theories promulgated by the thousand and one sects who represent that number of adverse tenets, and who all make common cause against Free Thought. Go and hear him.

TALL WHEAT.—We were shown during the week some wheat that measured six feet three inches in height. There were 57 stalks from one grain. It was raised by Mr. James L. Stewart on his farm 4 1/2 miles from this place. He informs us that he has 12 acres just like it. Who can beat that?

Harvesting of fall sown grain is progressing rapidly in all directions. Ans. Henry has some shocks so tall that it required a ladder to get the "caps" on.

Mr. J. L. Ferguson has presented us with a Rambo apple, in good preservation, which he has kept ever since last fall.

Some blackberries were presented to Mr. Frank Owen of this office by Charles Watts. The local editor got away with all of them and thinks they were awful good. Frank didn't get angry.

Base Ball.

The Pacific Base Ball Club, of Portland, arrived in this place last Friday for the purpose of playing a series of games with the Forest City club of this county. Right here we will mention that the Forest City club is not of McMinnville, as the Daily News had it, but is composed of men from Lafayette, Dayton and McMinnville, and is a county club.

The first of the series of games was commenced Saturday morning at 8 o'clock. Mr. Sutherland of the Pioneers was Umpire and John Raleigh was scorer of the Pacifics and Al. Carey for the Forest City club. The Pacifics won the toss and took the field. The Forest City club retired with a splendid "goose egg." The Pacifics then took the bat and made 8 runs. The remainder of the game showed no extra playing on either side, although the Forest City club received another "goose egg" in the 5th inning. Not at all discouraged the Forest City club got to work and succeeded in winning the game by a score of 38 to 30. The following is the score:

The second game was commenced at half past two o'clock with Ed. Kramer as Umpire and the same scorers as in the first game. This game was played well by the Pacifics and very poorly by the Forest City Club. The game was won by the Pacifics by a score of 40 to 27. The following is the score:

The last of the series, we understand, is to be played some time in October.

W. Squires and son were tried at Tillamook for robbery and were acquitted but were convicted on a charge of assault with a deadly weapon and fined \$200 and \$100 respectively.

Wilson, who was arrested on a charge of assault with intent to kill, was tried at Tillamook and found guilty and sentenced to the Penitentiary for two years.

GIRDLE'S SECTION.—Stephen Girard used to say in his old days: "I have always considered advertising liberally and long to be the great medium of success in business, and the prelude to wealth. And I have made it an invariable rule to advertise in the fullest times as well as the briefest, long experience having taught me that money thus spent is well laid out, and by continually keeping my business before the public it has secured many sales that I otherwise would have lost."

Advertise Your Business. Keep Your Name before the Public. Judicious Advertising will insure a Fortune.
