**VINEGAR BITTERS**

Vinegar Bitters are not a vile Fancy Drink, made of Poor Rum, Whisky, Proof Spirits and Refuse Liquors, doctored, spiced, and sweetened to please the taste, called the "Tonic" and "Bitters," California, that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the most potent and healthy medicinal ingredients, free from all Alcoholic Stimulants. They are the Great Blood Purifier and a Life-giving Principle, a Perfect Renovator and Invigorator of the system, carrying off all poisonous matter, and restoring the blood to a healthy condition, enriching it, refreshing and invigorating both mind and body. They are a cure of administration, prompt in their action, certain in their results, safe and reliable in all forms of disease.

**For Personal Use.** Take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.

**Dyspepsia or Indigestion.** Headache, Biliousness, Stomachic, Congest, Eruptions of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Acid Eructation, Painful Swelling of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms are the offspring of Dyspepsia. In these complaints it has no equal, and one bottle will prove a better guarantee of its merits than a lengthy advertisement.

**For Female Complaints,** in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that a marked improvement is soon perceptible.

**For Inflammatory and Chronic Diseases** of the Liver, Kidneys, Bladder, and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the digestive organs.

**For Skin Diseases,** Eruptions, Tetter, Salt Rheum, Itches, Spots, Pimples, Scurfs, Boils, Carbuncles, Ring-worms, Scald-head, Sore Ears, Erysipelas, Itch, Scabies, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, immediately disappear, and carry off the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative powers.

**Cleanse the Vitiated Blood.** Whenever you find impurities bursting through the skin in Pimples, Eruptions, or Sores, cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

**Pins, Tape and other Worms.** These are effectually destroyed and removed. Says a distinguished physician: "There is scarcely an individual on the face of the globe whose body is exempt from the presence of worms. It is not upon the healthy elements of the body that worms exist, but upon those which are morbid and diseased. No system of medicine, no vermifuges, no anthelmintics, will free the system from the presence of these worms."

**Mechanical Diseases.** Persons engaged in Pains and Minerals, such as Gun-makers, Typographers, Gold-beaters, Musicians, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS a week.

**Bilious, Headach and Intermittent Fevers,** which are so prevalent in the valleys of our great rivers throughout the United States, especially those of Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer months, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to **DR. J. WALKER'S VINEGAR BITTERS,** as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

**Scrophulous, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled neck, Gout, Scrophulous Inflammations, Indolent Tumors, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc., etc.** In these, as in all other constitutional diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

**Walker's California Vinegar Bitters** act on all these cases in a similar manner. By purifying the Blood they remove the cause, and by resolving away the effects of the inflammation (the tubercular deposits) the affected parts receive health, and a permanent cure is effected.

**The Aperient and mild Laxative** properties of **DR. WALKER'S VINEGAR BITTERS** are the best safeguard in cases of eruptions and malignant fevers. Their balsamic, healing, and soothing properties protect the humors of the system. Their Sedative properties allay pain in the nervous system, stomach and bowels, either from inflammation, wind, colic, cramps, etc.

**Directions.**—Take of the Bitters on going to bed at night from a half to one and one-half wine-glassful. Eat good nourishing food, such as beef-steak, mutton chop, venison roast beef, and vegetables, and take out-door exercise. They are composed of purely vegetable ingredients, and contain no opium.

**THE SUN.**

WEEKLY, SEMI-WEEKLY, AND DAILY.

THE WEEKLY SUN is too widely known to require any extended recommendation; but the reasons which have already given it fifty thousand subscribers, and which will, we hope, give it many thousands more, are briefly as follows:

It is a first-rate newspaper. All the news of the day will be found in it, condensed when unimportant, at full length when momentous, and always presented in a clear, intelligible, and interesting manner.

It is a first-rate family paper, full of entertaining and instructive reading of every kind, but containing nothing that can offend the most delicate and scrupulous taste.

It is a first-rate story paper. The best tales and romances of current literature are carefully selected and legibly printed in its pages.

It is a first-rate agricultural paper. The most fresh and instructive articles on agricultural topics regularly appear in this department.

It is an independent political paper; belonging to no party, and wearing no collar. It fights for principle, and for the election of the best men to office. It especially devotes its energies to the exposure of the corruptions that now weaken and disgrace our country, and threaten to undermine republican institutions altogether. It has no fear of knaves, and asks no favors from their supporters.

It reports the fashions for the ladies and the markets for the men, especially the cattle-market, to which it pays particular attention.

Finally, it is the cheapest paper published. (One dollar a year will secure it for any subscriber. It is not necessary to get up a club in order to have THE WEEKLY SUN at this rate. Any one who sends a single dollar will get the paper for a year.
