

LAFAYETTE COURIER.

FRIDAY, JUNE 26, 1874.

M. E. Church South.

Appointments for Lafayette and Tillamook Circuit are as follows: First Sabbath, Happy Valley, at 11 o'clock A. M., McMinnville, 6:30 P. M.

Dr. J. W. Watts will preach at this place the second Sunday in every month at 11 A. M., and in the evening at early candle-light.

Wm. Mathews is our authorized Agent at Portland.

BASE BALL ITEMS.—The boys organized a club at this place Wednesday evening. They appear to be just the least bit conceited, and think, (although they have had no practice) that they are the champions of the county.

The Forest Grove Independent, calls on the players of that county to rally and beat the Yamhill boys on the Fourth. We don't know of any base ball players that intend to go.

Completed.—The Church has been thoroughly overhauled and painted, and presents a neat and tidy appearance. Service was held in it last Sunday. The expense so far has been about one hundred and fifty dollars, raised by subscription, and as the work is completed now is a good time for those in arrears to call and settle.

There was an unusually large congregation in attendance at camp-meeting on Sunday last at the Hibbs camp ground.

As camp-meetings are in order now, Sheridan is not going to be behind. The M. E. Church will hold one commencing July 3d.

The House Judiciary Committee, by a vote of six to five, resolved to impeach Judge Durell, of Louisiana, and Judge Busted, of Alabama.

The President has approved the joint resolution providing for the termination of the treaty of the United States with the Kingdom of the Belgians.

The House Pacific Railroad Committee, by a vote of seven to five, refused to recommend the investigation of the Central Pacific on Contract and Finance matters.

The President has signed the act to authorize the Secretary of War to ascertain the expenses incurred by Oregon and California in the suppression of Indian hostilities in the years 1872 and 1873.

The Senate has agreed to the following amendment to the Sundry Civil Appropriation Bill: Increasing the sum for surveys in Oregon from \$40,000 to \$60,000.

Senator Sherman will make no effort to secure the passage of the Tariff bill at the present session.

The President has signed the Currency bill reported from the last Committee of conference, and it has become a law.

The President and Cabinet and President's clerks were at the Capitol on the 22d, examining bills presented for signature.

In opposing the motion to strike out the River and Harbor Appropriation Bill the section directing surveys to be made at numerous points throughout the country, including the Columbia River, Mitchell showed that while freight charges between Chicago and New York by water lines are nine and one-tenth mills per ton per mile, and by railroad twelve mills per mile, freight charges on the Columbia River, by reason of monopoly, are from ten to twelve cents per mile in coin.

For the very best Photographs, go to Bradley & Rulofson's Gallery with an ELEVATOR, 429 Montgomery Street, San Francisco.
