Sundays. Aug. 18.

day evening a team belonging to Mr. James English, who was engaged in hauling wood for the steam mill in this place, got frightened at some wood sliding from the stack and concluded to take a spin on their own hook. They first commenced to back and got the wagon against the wood pile, thereby penning Mr. English up against the wood so that he could not with horse-fiddles, tin horns, tin cans extricate himself nor reach the lines, and divers and sundry other instruwhich unfortunately were on the op- ments, after the first round were someposite side of the wagon. They then what surprised and just then a matook a turn for an opening in the rick jority of them thought their mothers of wood, there being only one outlet, wanted them and the gait they took and collided against one side, smash- for home beat Goldsmith Maid's one wheel and breaking lose from the time. The party supposed that Mr. wagor made another dash for liberty. H. was at his father-in-law's-Mr. J. By this time Mr. English was on Yocom-residence. Mr. Y. went out hand, and, seizing one of the bridles, and invited them in; the more he in-ended ored to stop them, but they vited the more the boys run. Finalcontinued on, flinging English against ly some one fired off a pistol with inthe wood whereby he was considera-tention of scaring the retreating bly bruised. They spun through the crowd, and Mr. Y. thinking it was streets like a streak of greased light- the same crowd went in and loaded ning and struck for the country with his shot gun with blank charges came "head up, tail erect, and one eye in out and fired it off then slipped down the bushes looking out for a hail-the road and hid in the fence corner storm." They were secured about a and commenced snapping caps to mile or so from town with the collers frighten them. The party that went and hames still on them.

GUESS NOT .- We see by the Portland dailies that the Arcadian Base the same time using very abusive Ball Club intend visiting the Wast- language. A little scuffle ensued in ington County Fair for the purpose of beating the Yambill clubs. Now, this is what you might call cheeky. Some of their members are in corres- old at home, they learn meanness pondence with some of the "boys" of this place who, when the Forest City Club was in existence, helped beat most of the members of what is now the Arcadian club, but were then known as the Pacifics, and having ascertained from this correspondence that every club in the county, which amounts to anything, have disbanded, they threw out this banter. Should the players conclude to organize at even this late in the season we guess the city boys would find that they did not have the muscle to face their capturing one elk.

THAT HORN .- - Some of our citizens have again been at work in trying to exhume the bones of some supposed acl comes on this Circuit. animal, which they imagine was unfortunately mired in a quagmire in was in town due the county of Polk, which belongs to gave us a call.

Mr. Henderson of this place. From time to time they have dug after these bones with various success, sometimes finding pieces of bone which evidently belonged to some larger animal than now roams our majestic forests, but Allen. this time their labors did not meet with much success. They found the horn (in a horn) was not "comeata-

WHEAT SPROUTING .- We are informed by several farmers that the late rains caused a considerable of practically useful tools, vis: Pocket the wheat which was standing to Rule, Ruler Square, Bevel, Screw sprout. Some of the farmers had al- Driver, Chisel, Compasses Scissors, most all of their crops still standing Butten Hole Cutter, Paper Knife, which, if not sprouted, was made soft | Eraser, and Pencil Sharpener.
