LAFAYETTE, OGN.

GIRARD'S SECTION.—Stephen Girrad used to say in his, old days: "I have always con-sidered advertising liberally and long to be the great-medium of success in business, and the prelude to wealth. And I have made it an invariable rule to advertise in the dullest times as well as the busiest, long experience having taught me that money thus spent well laid out, and by continu-ally keeping my business before the public it has secured many sales that I otherwisse would have lost."

Advertise Your Business. Keep Xour Name before the Public. Judicious Advertising will Insure a Fortune. If Business is Dull, Advertise. If Business is Brisk, Advertise. The man who didn't believe in advertising has gone into partnership with the Sheriff, and that official does the advertising.
