ADVERTISING.

Has created many a new besiness; Has enlarged many an old l'usiness; Has revived many a dull be siness; Has reser ed many a lost business: Has saved many a large business; And insures a specess in any business.

GRARD'S SECTION. Stephen Cirrad used to say in his old days: "I have always considered advertising liberally and long to be the great medium of success in bisiness, and the prelude to wealth. And I have made it an invariable rule to advertise in the dullest times as well as the busiest long experience having taught me that money thus spent is well laid out, and by continually keeping my business before the public it has secured many sales that I otherwisse

would have lost." Advertise Your Business. Keep Xour Name before the Public. Judicious Advertising will Insure a Fortune.

If Business is Dull, Advertise.

If Business is Brisk, Advertiser The man who didn't believe in advertising has gone into partnership with the Sherin and that official does the advertising.

Dr. J. Walker's California Vinegar Bitters are a prely Veg etable proparation, made chiefly from the native herbs found on the lower ranges of the Sierra Neva amountains of California the medicinal properties of which are extracted there is almost daily asked. "What is the cause of the unparalleled success of Vinegar Bitters?" Our answer is, that they remove the cause of disease, and the national recovers his health. and the patient recovers his health. They are the great bood purifier and a life-giving principle a perfect Renovator and Invigorator of the system.

Never before in the history of the world has a medicine been compounded posse sing the remarkable qualities of VINEGAR BITTERS in heating the sick. of every disease. They are a gentle burgacive as well as a Tonic, relieving Congestion or Inflammation of the Liver and Vi.coral Organs, in Bilious

Diseases. The properties of Dr. WALKER'S VINEGAR BITTERS are Aperient, Die phoretic, Nutritious, Laxative, Diuretic, Sedative, Counter-Irritant, Sudorific, Alternave, and Arti-Bilious.

Gratein: Thousands proclaim Vingan Briress the most wonderful Invigorant that ever sustained the sinking system.

No person can take these Bitter's according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

Bilious, Remittent, and Intermittent Fevers, which are so prevalent in the valleys of our great-rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkaneas, Red Colorado, Brazos, Rio Grande, Pearl, Alabame, Mobile, Savannah, Roanoke, James, and many others with their vast triband many others, with their vast trib-ntaries, throng out our entire country during the Summer and Autumn, and remarkal ly so during seasons of un-usual heat and dryners, are invariably accompanied by extensive derangements of the somethand liver, and other abdominal vacara. In their treatment, a curative excling a powerful influ ne noon these ve louse organs, is e contal. Tacce it no

cathartic for the plapose equal to Dr. J. Warks & Vancous Bretains, as they will speedly ranove the dark colored viscil matter with which the bowels are loaded, at the same time stimulating the ecretious of the liver, and generally re-toring the healthy functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with the BITTERS. No epidemic can take hold of a system thus fore-armed.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Conghs, Tightness of the Chest, Diz-ziness, Sour Eructations of the Stomac's, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspeps a. One bottle will prove a better guarantee of its merits than a lengthy advertisement.

Scrofula, or King's Evil, While S-dilling Ulcors, Erssinelas Swelled Neck, Coitry, Scrofnious Inflammations, Mercurial affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc. In these, as in all other constitutional Diseases, Dr. WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

For Inflammatory or Chronic Rheumatism. Gout, Bilious, Remittent and Intermittent Fevers. Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood.

Mechanical Diseases.—Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Goldbeaters, and Miners, as they advance in lite, are subject to paralysis of the Bowels. To guard against this, take DR. WALKER'S VINEGAR BITTERS.

For Skin Diseases, Eruptions, Tetter, Salt-Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ringworms, Scald-head, Sore Eyes, Erysipelas, Itch, Scurss, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature. are literally dug up and carried out of the system in a short time by the use of these Biters.

Pin, Tape, and other Worms, larking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermifuges, no anthelminities will free the system from worms like these Bitters.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that improvement is soon perceptible.

Cleanse the Vitiated Blood whenever you find its impurities burst-ing through the skin in Pimples, Erup-tions, or Sores; cleanse it when you find it obstructed and sluggish in the veins ; cleanse it when it is foul ; your feelings will tell you when. Keep the blood pure, and the health of the sys-

tem will follow: R. H. McDONALD & CO.,
