Dr. J. Walker's California Vintegar Bitters area purely Veg-etable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Novada mountains of California the medicinal preparties of which are extracted therefrom with-out the use of Alcohol. The question is almost daily asked, "What is that cause of the unparalleled success of VINEGAR BITTHES?" Our answer is, that they remove the cause of disease, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Remo-vator and Invigorator of the system. Never before in the history of the world has a medicine been compounded pos-sessing the remarkable qualities of VINEGAN BITTERS in healing the sick of every disease. They are a gentle Purgative as well are Tonic, relieving Congestion of Inflammation of the Liver and Visceral Organs, in Bilious Diseases. Diseases.

The properties of Dr. WALKER'S FINEGAR BITTERS are Aperient, Dis-phoretic, Nutritious, Laxative, Din-retic, Sedative, Counter-Irritant, Su-dorific, Alternave, and Anti-Bilious.
