HE WEEKLY SUN has now attained a circulation of or every enemy and copies. Its readers are found in every State and Territory, and its quality is well known to the public. We shall not only endeavor to keep it fully up to the old standard, but to improve and add to its variety and power,

THE WEEKLY SUN will continue to be a thorough newspaper. All the news of the day will be found in it, condensed when unimportant at full length when of moment, and always, we trust, treated in a clear, interesting and instructive manner.

It is our aim to make the WEEKLY SUN the best family new paper in the world. It will be fall of ent-reading of every sort, but will print nothing to oftend the most scrupulous and delicate taste. It will always contain the most inesting stories and romances of the day, carefully a lected and 1 gibly printed.

The Agricultural Department is a prominent feature in the WEEKLY SUN, and its arricle will always be found fresh and useful to the farmer.

The number of men independent in politics is increasing, a d the WEEKLY SUN is their paper especially. It is longs to no party, and obeys no dictation contending for principle, and for the election of the best men. It exposes the corruption that disgraces the country and threatens the over throw of republican institutions. It has no fear of knaves, and seeks no favor from their supporters.
