AFAYETTE COURIER

FRIDAY, DECEMBER 3, 1875.

Clippings.

Belles call a great many people to church.

To do bsiness a man must have dollars and sense.

What's in a name? D. Seaver drives a St. Louis milk wagon.

It is difficult to tell how much a fish will weigh by looking at its scales.

A fac simile of the high C's in music is reached by treading gently on a cat's tail.

Why is the job-stone like a greenhorn? Because it s often imposed upon.

band in the State.

Why is the type of an unfinished job like old cheese? Because it's it. live matter.

never uttered a lie, probably spoke fine quality. Yes, said a 'person Got a good load now," was the through his nose.

I go around!

In Norway, the longest days are three months; the morning papers are published quarterly.

The most effective way for a boy to learn a bee sees -- by just putting his finger into the hive.

A modern essayist defines gossip to be the putting of two and two together and making five of

Quills are things that are some times taken from the pinions o one goose to spread the opinions of another.

.. Why are ideas received while tox-hunting like handbills? Because they are impressions taken in the chase.

Sir Charles Napier said, when he saw the purser mixing his rum and Monday either.

Why is a printing office like a well-regulated financial institution? Because there are plenty of quoins in the bank.

will decline any longer to participate in religious disturbances, on if he were under the tropic of Capaccount of his health.

always try a silver four-penny ford elergyman, now dead, who piece with his teeth? To prove was asked by an Irishman to mar that it's a four-penny bit.

or say, here's our por!

A popular writer, speaking the ocean telegraph, wonders whether the news transmitted through the salt water will be fresh.

formerly a fashionable amusement, ascertain the exact amount of dambut since the irruption of the pinch age done recently by the floods, a back dress the gathering has been reporter started out on an interconfined to boys.

Aretired schoolmaster excuses his passion for angling by saying that, from constant habit he never feels quite himself unless he's handling the rod.

A New Jersey female institute contains thirty-four red-headed girls, and the principal dispenses with gas and all other artificial light.

There's one pleasant thing about house cleaning. A man can stradhimself out in the parlor for a day or two and spit on the floor withont spoiling a brussels carpet.

The irtelligent compositor used ch?" to hang up his coat in the Detroit Post office, but the editor wrote a

paragraph beginning "Grant's attetion was not a succes." and he spelled auction with an s.

The easter bean is cultivated in Kansas, and a castor oil factory has been erected at Fort Scott. Even the West is not without this pleasant and exhilarating bever-

Noisy little boys in Cincinnati are told that right in the center of the hind hoofs of every live mule there is a little lump of gold, which can be easily dug out with a spenknife.

The prisoner at the bar seems to have a very smooth face, said a spectator to the jailor. Yes, replied the jailor; he was i. oned just before he was brought in.

There's a letter in the candle, is the title of a new song. It's a Did you ever know a country pretty production, but yet we can't town that hadn't the best brass help thinking that if the letter stays there long it's going to get scorched so that no one can read

And, added a third party, and said: "Guess you'd better Would yo hold the end, sir, while is inclined to seize everything he plant what I've told you, and see

The Rev. Mr. Kalloch, of California, formerly of Massachusetts, thinks that there is no more sin in going to a theatre than in going to down the side of the wagon, and a church festival, but that young men should not go to either when their washing bills are unpail.

Copy was out. The devil pick ed up a paper and said, Here is something about a woman-must I cut it out? No! thundered the editor, the first disturbance in the for it?" world was occasioned by the devil fooling about a woman.

John Smith was born, baptised arrested, shot, buried, married and sentenced to the penitentiary for life, all in one week, recently, in Omaha. This did not prevent his Union is not always strength, as having his tooth pulled, and stopping his paper on the following

Indian corn in North Germany often assumes a place among the household plants. . It is regarded there as tropical. In our country. it becomes tropical only under the It is now reported that Guibord name of Bourbon, and then it warms a man up so that he feels as

Why does an omnibus conductor The story is told of a New Bedry him. Why, Pat, said the cler HALL . Is there a country editor in the gyman, what have you come to me world who can speak favorably of for? Why didn't you go to the a new paper and not wish it success, Catholic priest? I've been to him, yer honor, said Pat, and he told me to go to the devil, and I have

Interviewing a Farmer.

Wishing to keep posted as to Gathering autumn leaves was the condition of the crops, and to viewing expedition. He was for-

"Same as it always was."

"What's that?" "Dried grass."

"What did you think of the late

"Thought it was damp." "Didn't raise anything, then,

"Nothing but an umbrella." "What did your neighbors get?" "Chills and fever."

"What are you doing now?" "Sitting out here in the sun, and may be losing a chance to seli this hay. Come up here if you want

The reporter scrambled up to the side of his new made acquaintence, and as they jolted on he again produced his note-book and

spring? . Ran everything into the ground

as usual.",

"Did your wheat do anything?" "Yes."

"What?" "Spronted."

"Yes, do you want a chew?" "How are potatoes?"

"Under the weather somewhat, but able to be out.

Becoming just the least bit discouraged, the reporter timidly ask

what it will yield. Here's where ,where you git off."

Remembering that it was about time to report at the office, the baffled searcher after news clim bed thinking that a soft answer, turn; eth away Wrath, he camly said:

"That's nice hay my friend; where did it come from? "Timothy seed." The interrogator grew faint, but

he summoned up enough energy to

"What do you think you'll get "Cash, of course Get up White

this fellow will talk us all blind in a minute. He asks more questions than a catechism," and before the discouraged representative of the press could recover from his surprise the lay wagon had turned the adjacent corner.

tunate enough to encounter a lar. The most important improvement ever tunate enough to encounter a larmer at the edge of town bringing a load of hay into the city. Burning with enthusiasm the reporter hailed him. He halted and the following colilequy took place:

"How are you friend?"

"Tired."

"What's hay now?"

"Same as it always was."

The most important improvement ever made. It saves labor and preserves health. No more disease and deaths, side or backaches from using sewing machines. No teaching required. A child can run it. At ways starts the right way. Never, goes backwards and breaks things. Can be stopped instantly. With fit on your machine, you can do double the work you can without it. Fifty stitches can be made withlone pressure of one foot. It can be applied to any sewing machine. Approved by the Massachusetts State Board of Health, (see Official Report, 1872), Massachusetts Medical Society and Massachusetts Charitable Mechanic's Association. The Hall Treadle is a part of all Home Machines sold by us. is a part of all Home Machines sold by us.
