troubled with Pin Worms, and at times, felt as if I was being devoured alive.

Early in March, 1875, I arrived in San Francisco, and was induced to use your Yerba Buena Bitters, and I am happy to say that in one month I was entirely cured. I have not been troubled with them since, and am satisfied that I am permanently cured. I also think it is one of the best preparations I ever used for Constipation and Billious troubles.

If you wish to publish this you may do so, and I will cheerfully testify to it at any time.

I remain, gentlemen,

Very truly yours,
