HOMER WILLIAMS, SY BRENHAM PLACE, San Francisco SAN FRANCISCO, CAL., Jan'y 12th, 1876.

Seeking health and a mild climate on the Pacific Coast during last summer, my attention was called (while suffering with a severe headache) to Dr. Warren's I kern Buena Bitters, which cured me so perfectly that I went to the druggist's and bought a bottle the next morning, and have not taken any other medicine-since. It is a perfect cure for sick headache, for any derangement of the stomach, or constitution, and I do recommend it cheerfully to every one, before any other medicine, as it leaves the system in a real healthy state, and no change of diet is necessary.

Please send your bitters over the world, for it will be a blessing to humanity beyond the power of words to express. I write you freely because I know it's truth, from actual experience.

I am yours truly.

A Card.

IRRIGATION. Watsonville, Dec. 6, 1875. To C. P. Hoag, Gen'l Agent, 118

Beale street, S. F., Dear Sir,—We have had the Eclipse windmills in use several months. They have worked to our entire satisfaction, running in the lightest breeze and their self-regulating apparatus working to perfection in the severest gales. We take pleasure in recommending the Eclipse to all desiring Windmills.

Otto Stoesser, E. S. Peck, J. M. Rodgers and E. J. Martin. The above letter is one of many. I can refer to the following named gentlemen in regard to the ECLIPSE MILL. Write them and ascertain for yourself.

H. B. Rhodes & Son, Milton, Cal.

Burdin & Severson, East Portland, Oregon,
H. B. Williams, of Williams, Blanchard & Co., S. F.
G. W. Tarleton, San Jose.
A. M. Hardin, Hollister, Cal.
J. B. Ford, Esq., East Oakland, Cal.
C. W. Davis, Santa Cruz.
WILLIAM VOLUMER, Belmont, Nevada.
C. L. Tyler, Esq., Anaheim, Cal.
J. W. Crawford, Esq., Los Angeles.

Reasons why the Eclipse Windmills should be Preferred.

1.—It has been tested eight years in almost every State in the Union.

2.—It is the most simple in principle, strongest in construction and possesses more power than other mills. order.

4.—Has hardly any friction and will run in light winds. It is a perfect self-regulator.

5.—It is sanctioned and adopted by the leading railroads for their water stations, and pronounced by railroad engineers to be built upon true mechanical prin, ciples. ciples.

6.—The ehtire mill is guaranteed, and any cast or portion of a mill breaking from defect in mate or workmanship will be replaced free of charge w out delay.

7.—The rims are straight, instead of steamed or bent as in other wheels, and the entire mill is durable.

8.—The cost is less than others when the actual power, durability and safety are considered.

Write me or call.
