History Repeats Itself

History Repeats ItselOpportunity Never Does

THE Coos Bay Country is a field laden with innumerable opportunities. Every man who has eyes to see may see them if he will. Yet, as always, men are blind—blind, when the very atmosphere is breathing opportunity into our ears.

Energy, enthusiasm, pluck, determination—these are the requirements today.

Young men, if ever in your lifetime, nurse yourself and now.

Think and think, and then DO. This is no time, no place for the laggard. Coos Bay wants men—men who will say, 'If WRT and WILL strong men, men with courage, men who will; every time they are tipped light on their feet again. Here we have an empire-speed before me, Jedediah McCullough, a majestic bay and charming lakes, glorious mountains and river scenery, wonderful ferrets, vast coal beds, mines of gold, silver, copper, nickel, iron, clay, stone, and what not. Rivers and bays teeming with delicious fish, including, on their banks, every grain, grass, fruit and vegetable known, also sunshine and rain, just enough of each not to disturb the equable condition of affairs. Yes we have it; we are in possession of it; an empire pregnant with hidden resources, possibilities that almost stagger the imagination.

Here opportunity lies equally within the reach of all. The power to see it is the difference in the race. It is known to us all by presenting real estate bargains to the investor. Time is the chief worker in piling up wealth of Coos Bay. It is an investor here does not need extraordinary business sagacity. A comparatively small amount of cash with normal sense and patience is sufficient.

We have for sale choice business and residential lots in North Bend, Marshfield and Empire.

We buy and sell lots in every pledged addition to Coos Bay.

We have good bargains in coal, timber, tile, and agriculture lands.

Write what you want. We always make good.
