

# FLOOD PIT WITH BUYING ORDERS

Chicago Board Of Trade Thrown Into Confusion By Heavy Wheat Demand.

## PASSES DOLLAR MARK

Predictions Are Made That Commodity Will Soar to a Dollar and a Half.

Chicago, May 14.—In the most sensational opening in history of the Chicago board of trade wheat yesterday shot past the dollar mark. Heavy realizing sales pushed prices backward somewhat, but at the close of the market it was strong and according to some of the speculators on the board, the demand upon which the late advance has been made is still unsatisfied.

The net advance for the day was four cents for July options and September options, and four and one-eighth cents for December option. It was certainly a strong bull place in the wheat market at the opening.

Country markets had poured in seemingly in an endless stream and in obedience to it brokers stood by ready to buy millions of bushels of it at the market. Shorts were in a highly nervous condition and were eager to cover. The result was as soon as the gong sounded there was a terrific roar of voices, all anxious to buy and nobody offering to sell. Trade was too big and too broad to be followed with any certainty and brokers filled orders frequently several cents away from the point at which they hoped to buy. The confusion was so great that for a few minutes but little actual business was transacted, the brokers fighting and struggling to get hold of wheat at any price.

A rush of buying orders seemed to come from almost every city in the country which is situated on the telegraph wire. Professional operators were of the opinion that the rush was a little too vigorous and took a chance to seize profits. This caused a temporary check, but buying orders still poured in and the market soared again. Again long wheat came out and brought about a reaction and again, the country orders forced it up. There are no claims that the market is being manipulated, the general opinion being that the advance was based on natural causes. Among smaller traders, predictions are freely made that wheat will go to \$1.25 to \$1.50 before the present advance in July is stopped.

## PROGRESS CLUB HAS ANNUAL ELECTION

Members Are Entertained—Committee Appointed For Annual Picnic—Last Club Meeting Tuesday.

The annual election of officers of the Progress club was held yesterday afternoon at the home of Mrs. J. W. Bennett and the following officers were elected to serve during the ensuing year: President, Mrs. H. Sengstacken; vice president, Mrs. J. W. Bennett; secretary, Mrs. J. S. Greene; treasurer, Mrs. W. S. Chandler. This is Mrs. Sengstacken's fourth term in the president's chair, which is undoubtedly a high compliment to her ability. She had intended not to accept the office for another term, but was urged to shoulder the duties for one more year. Following the election of officers Mrs. Bennett
