

MYSTERIOUS "JAP" WITH CAMERA VISITS BANDON

He Takes Pictures of Topography Around Entrance To Coquille River and Bar.

SNAPS ROGUE RIVER

Suspicious Entertainment That Oriental is in Service of Little Brown Government.

(Times Special Service.)

Bandon, Ore., May 23.—Armed with a panoramic view camera mysterious well dressed Japanese, has been haunting the vicinity of Bandon for the past week and has taken several pictures of the Bandon bar, the surroundings, both sides of the Coquille river and its mouth.

Previous to his visit to Bandon the same man was at Gold Beach at the entrance to the Rogue river as to Bandon, were made with the camera. It is thought the Oriental is coming up the coast from the south and will next visit Coos Bay.

His operations around Bandon have excited deep interest and there is much comment as to the purport of his mission. There seems no doubt but that the man is connected with the Japanese Government. His present whereabouts are unknown.

LEAVES FOR SEATTLE

Rev. D. W. Thurston has left for Seattle where he will spend a few days visiting with his mother after which he will attend the meeting of the Umpqua Baptist Association. The association meets in Salem on June 30, being in session three days. Rev. Thurston will return home immediately after the association meeting.

WILL BUILD HOUSES.

H. Black is excavating six lots on Bain street, getting in readiness to build four houses, one for a residence and the other three for to rent.

NEW OFFICE.

The new office for the retail business of the C. A. Smith Lumber and Manufacturing company is completed ready for occupancy in the near future.

MARSHFIELD TEACHERS ARE APPOINTED

At a meeting of the Marshfield School Board held in Judge Hall's office the teachers to be employed the coming term in the local school were appointed. The Misses Walker, Easterday, Bradley and Camp have resigned and in addition to filling the vacancies the same teachers employed last year were reappointed.

Following is the list of teachers and the grades they will teach: F. A. Golden, principal; Miss Elizabeth Kaufman assistant in the high school Nina Lyon, eighth grade; Agnes Gulovsen, seventh grade; Kathleen Bennett, sixth grade; Ella M. Rood, fifth grade; Hilda Stenholm, fourth grade; Ada Chapman, third grade; Alice B. McCormac, second grade; and Bessie Sebolt, primary; Mrs. Wilbur receiving primary. Misses Ada Chapman and Hilda Stenholm are attending the state Normal at Moomoth where they have been for the past two years. Both young ladies are graduates of the Marshfield High School which place they left two years ago.

TO RERAIL ENGINE.

The engine which went in the ditch a few day ago between Marshfield and Kruse's Hill will be rerailed Sunday if the present plans of the company do not miscarry. The locomotive is bottom up in the slough at the side of the track and will be hard to replace, but with the appliances at the service of the wrecking crew and the help of engine no. 4 it is thought the engine can be put on the rails and taken to the shops with little trouble. It will probably be several months before the engine can be used again.

TO SUBSCRIBERS.

The Times will not be up to the usual standard for a few days owing to lack of men in the mechanical department.

History Repeats Itself Opportunity Never Does

THE Coos Bay Country is a field laden with innumerable opportunities. Every man who has eyes to see may see them if he will. Yet, as always, men are blind—blind when the very atmosphere is breathing opportunity into their ears.

Energy, enthusiasm, pluck, determination—these are the requirements today!

Young men, if ever in your lifetime, rouse yourself here and now.

Think and think, and then DO. This is no time, no place for the laggard. Coos Bay wants men, men who will say, "I will," and WILL, strong men, men with courage, men who will; every time they are tripped light on their feet again. Here we have an empire spread before us. Beautiful and fertile val-

leys, a majestic bay and charming lakes, glorious mountains and river scenery, wonderful forests, vast coal fields, mines of gold, silver, copper, nickel, iron, clays, stone and what not. Rivers, lakes and bays teeming with delicious fish, including, on their banks, every grain, grass, fruit and vegetable known, also sunshine and rain, just enough of each not to disturb the equitable condition of affairs. Yes, we have it; we are in possession of it—an empire pregnant with hidden resources and possibilities that almost stagger the imagination.

Here opportunity lies equally within the reach of all. The power to see it is the difference in men. It is our business to lessen this difference by presenting real estate bargains to the investor.

Time is the chief worker in piling up Coos Bay Real Estate. An investor here does not need extraordinary business sagacity. A comparatively small amount of cash mixed with common sense and patience is sufficient.

We have for sale choice business and residence lots in North Bend, Marshfield and Empire.

We Buy and sell lots in every platted addition on Coos Bay.

We have good bargains in coal, timber, tide and agriculture lands.

Also pleasant summer resort locations.

Write what you want. We always make good.
