## AUTOMOBILE KILLS TWO

As Result of Collision With Farmer's Wagon Fatal Accident Occurs Man and Boy.

Buffalo, June 4.—Harry Hamlin, one of the best known and wealthiest citizens of Buffalo was killed by being thrown from his automobile just outside of the city yesterday afternoon. The machine collided with a light wagon driven by Jacob Schaller, a retired butcher of Buffalo. Schaller was badly hurt but will recover. John Herke, aged 12 years, was riding with Schaller and wagon was obscured in a cloud of dust created by the other fast moving automobiles, when suddenly Hamlin's machine appeared, crashing into the wagon and wrecking it. Hamlin was thrown from the car onto the rails of the electric cars and instantly killed. The chauffeur and guest escaped with slight injuries.
