

PACKARD SHOES FOR MEN

In these days of frenzied advertising any old style is represented as the latest out, up-to-date, etc., and so wise people are becoming more and more careful in selecting their shoe store. Well dressed people will do well to look to our new shoe department for the correct thing on shoes. The name "PACKARD" or "JULIA MARLOWE" on a shoe is a guarantee of quality and an endorsement of a style that is absolutely unquestioned.

Likes Coos Bay.—Roy Hildebrand, of San Francisco, a graduate of Berkeley University, made the round trip from San Francisco on the last trip of the Kilburn as the guest of Chief Steward Sidney Aston. Mr. Hildebrand was more than favorably impressed with Coos Bay, and said he intended to boost for it at every opportunity.

Writes Good Article.—Frank Cameron, the well known advertising man for the Coos Bay Monthly, has a forcible and extremely well written article in the May number of the Portland Trade Journal. In the article he sets forth why the wonderful Coos Bay country must eventually attain the foremost rank as the garden spot of Oregon. He also cites the advantages which our harbor possesses and at what small cost it can be made into a superior deep water harbor.

Good Luck Fishing.—M. A. Sweetman, J. H. Linden, Mr. McMahon and Charles Lohman went up Ten Mile Sunday on a fishing expedition and report a catch of over a hundred fish, running in length from eight to ten inches. They were about eight hours in making the catch. An exciting experience was had with a bob cat. While walking over the country the animal sprang up before them and surprised Mr. McMahon, who was in the lead, into forgetting to pull the trigger of his shooting iron. Mr. Linden was equal to the emergency, killing the animal with a well aimed shot.

Roseburg Busy.—Henry Sengstacken received word from Roseburg last night that the citizens of that city had raised their portion of the \$250,000 for the building of the Coos Bay-Roseburg electric railroad. The amount raised was about \$125,000.

Skating Rink Concerts.—D. L. Avery has made arrangements to have the Acme band play at the rink Friday evening, which is society night. This is the second of a series of concerts planned by the manager and will no doubt be the means of drawing an enormous crowd. The band played at the rink two weeks ago Friday night, at which time the rink was filled to capacity, all the skates being out the entire evening.

In a short time Mr. Avery intends to close the rink in the afternoons, having it open only during the evening. Friday evening it will be open the usual hours from 7:30 until 10.

Chaminade Club Meets.—The Chaminade Club held a business meeting last evening at the home of Mrs. W. Horsfall, at which it was decided to prolong the club year a few weeks. Rehearsals will be held very Wednesday evening until the close of the season, at which time a suitable ending for the club's season will be arranged.
