The child receives in school and further helps him to continue his city life by teaching him early the values and the manner in which to make for the opportunities lie ahead.

One hundred and sixty acres of coal land on tide water, only $30.00 per acre.

If you are, you can take this opportunity to see many of the most interesting areas in our world and in our country. A trip of this kind is a great favor to you and to the people who live in those areas. A trip of this kind is also a great favor to you and to the people who live in those areas.
