MARKETS

WATERMELONS ARE COMING

Plant Expected To Bring First California Products of the Season.

STRAWBERRIES ADVANCE.

Market Is Steady—Potatoes Are Selling Well at Four Cents a Pound.

The Coos Bay market is a trifle quiet, but very steady this week, Coos river strawberries are becoming scarce and what few are on the market have advanced to 12 1/2 cents. The supply from that quarter it is said will last about two months.

There is a surplus of lettuce but this does not sell fast. The reason for this is believed to be that about everybody around Coos Bay raises more than enough of this variety of green stuffs for their own use.

Coos river potatoes are selling well at four cents a pound.

The good ship Plant is expected to do its usual Samaritan act and rejuvenate the local market with some choice watermelons. It is thought these will bring about sixty cents apiece. They will be the first of the season on Coos Bay and it is anticipated will find a ready sale.

SHIPPING RULES FOR OREGON

To the Editor:

Shippers are advised to make their applications for cars in writing and to specify in their orders the items lettered "a" to "f" inclusive in paragraph 1 of the regulations. This will enable a complete record to be kept, which will show at all times the actual condition as to cars ordered and supplied, applications unfilled, and will disclose the presence or absence of discrimination in filling shippers' requisitions. The records are to be public: any shipper will be entitled to inspect the record at his station or the dispatcher's office at any time during business hours. If the record is not kept at any station, or if access is denied to bona fide shippers, this Commission will undertake to see the practice is corrected if the facts are reported to it at Salem.

Rules Governing Record of Applications for Cars, Etc.

1. At each station on every railroad in this State where an agent is maintained, and where freight is received and delivered, there shall be kept and preserved a register or record of all applications for cars by shippers, and said register or record shall give substantially the following information, to wit:

- (a) Name and address of the applicant for cars.
- (b) Number of cars applied for.
- (c) When cars will be required.
- (d) Kind and size.
- (e) Kind of freight to be shipped.
- (f) Destination of freight.
- (g) Date cars are furnished and set for loading.
- (h) Number furnished.
- (i) Kind and size.
- (j) Initials and numbers of cars furnished.

All applications for cars made at any such station shall be immediately

and correctly recorded in such register or record in chronological order of application. Such record shall be kept in a suitably bound book, and be subject to the inspection of any bona fide shipper during business hours.

2. A record of car distribution shall be kept at the office of each chief dispatcher of all the railroads doing business in this State, subject to the inspection of any bona fide shipper during business hours. This record shall be made up from daily reports of all station agents on such division, and shall contain the information set forth in the preceding rules. It shall be so kept as to show the shipments of principal commodities. The names of all persons ordering cars on such division shall appear in alphabetical order and must show cars loaded for foreign roads, whether on company cars or foreign cars.

DESPERADO IS KILLED.

Husband Avenges Outraged Feelings With Gun.

Bellingham, July 5.—Jake Terry, known as "Terrible Terry," ex-convict, smuggler, train robber and fugitive from justice in the United States, was shot and instantly killed by A. L. Lindley at Sumas in the latter's home today in the presence of Mrs. Lindley. He is a partner of Bill Miner, now serving a life sentence for train robbery in British Columbia.

Eighteen months ago Terry entered Lindley's house and drove Lindley out at the point of a revolver, keeping Lindley's wife with him several days while fighting off the posse of officers. Later the sheriff arrested him and to prevent mob violence he was compelled to take Terry across the border. Today Lindley returned home after lunch and found Terry in the house. He fired first, killing the desperado.

PRESIDENT'S FOURTH QUIET.

Oyster Bay, July 4.—The celebration of the Fourth made apparently little difference to the transaction of government business by the president today. The executive staff went through the usual routine. Tonight the president, with his family and relatives, witnessed an elaborate display of fireworks.
