**The Undisputed Excellence**

of the Henry F. Miller and Sons piano is due to the high artistic standard which has always been the principle of its design and manufacture, so that to-day the Henry F. Miller & Sons is synonymous with all that is excellent in piano-forte construction.

The best evidence of the permanent adherence to high ideals is the length of years most of the Miller representatives have had the Miller piano.

FRONT ELEVATION.

FIRST FLOOR PLAN.

SECOND FLOOR PLAN.

We illustrate herewith an attractive design for a two story cottage with six large rooms, exclusive of pantry and bath. The rooms are rectangular, thus avoiding any waste of space. The estimated cost is \$2,100. For a cheap but good looking and substantial frame house this design is hard to excel.
