GUN PRACTICE INJURES SHIPS

Big Guns Damage Craft of Battleships on Test.

WASHINGTON, Oct. 18.—The last test for the new battleship off Cape Cod Bay ended abruptly by the firing of the guns of the battleship, "Texas," as a result of which two men were killed and several others wounded. The test was to determine the accuracy of the guns. The men killed were J. L. Green, a member of the crew, and L. J. Smith, a gunner's assistant. The other injuries were not serious. The ship was at anchor when the guns were fired. The test was to determine the accuracy of the guns. The ship was at anchor when the guns were fired.

NEW MANAGER N. P.

H. P. H. Funk, Oct. 18.—The resignation of H. P. Funk, general manager of the Northern Pacific, has been accepted by George L. Hyde, son-in-law of J. D. Hill, of this city. Funk has been with the company for ten years, and has been general manager for five years. He has been a prominent figure in the business world for many years.
