The Northwestern Theatrical As-

the theatries trust, controlled by Kinw and Erlanger, and this firm association is Calvin Helig, another theatrical manager whose name is a synonym for all that is best in theatricals. The association has headquarters in Seattle and the business is controlled from that office. Among the theaters controlled by this association are all the leading houses along the line of the Northern Pacific from North Dakota to the coast, those on the Great Northern, those on the O. R. & N. and those on the Southern Pacific in Oregon. The Portland theaters which put on the association's bills are the Helig, Marquam, Baker and Empire, which fact gives the reader an idea of what class of plays may be expected on Coos Bay during the fall, winter and

Secretary Cort, in writing to Manager Butler says he cannot promise talk, and laid mines under the a continuous run, or anything immediately, but within a short time, Coos Bay will be getting her share of the good things.

The Masonic opera house compares arranged and is a comfortable play Traveling operas and comenough to accomodate most of the quainted with the plan to buy up largest companies which come to the all the loose stock.

BREAKWATER DOCK PARTIALLY DESTROYED

Local officials received word yesand the total destruction of the river steamer Teal which was tied at the member was finally Two men lost their lives in the flames. The fire started at five o'clock in the morning, and the crew of the Breakwater had an exciting time in clearing the ship from danger and assisting in saving a part of the The office of the company and all the records went up in smoke and therefore the ship is without a headquarters. What effect it will have on her return to Coos Bay could not be learned yesterday. The The Breakwater was not damaged to any extent, simply receiving a slight scorching.

Consolidation Committee.

Owing to the visit of Senator Fulton to the Bay and the fact that the commercial bodies, both of Marshfield and North Bend and the members of the Consolidated Committee occupied in entertaining and listening to the distinguished visitor, the Joint Consolidation Committee of Marshfield and North Bend Chambers of Commerce, has been unable to meet. Arrangements have been made, however, to have the com-mittee meet at the Chamber of Comrooms on Front Street, Marshfield, Tuesday, Oct. 29, at 7:30 p. m. The members of the North committee are as follows: Bend, Raab, Whisnant, Gale, Gardiner and Meyers. Marshfield, Clarke, Snover, Oren, Schibrede and Lillj-

NEWS OF NORTH BEND

Doings as Recorded by Times' Regular Correspondent

Senator's Speech.

teresting address at the North Bend store. opera house Tuesday evening, to a large and appreciative audience. Mr. Fulton, in his address, referred to the former remark made by him that he could see no reason why Coos Bay should not have thirty UNSALEABLE feet on the bar, and explained how he had been justly criticized and crucified for this remark. As now he can plainly see that there is no reason why the people of Coos Bay should not have at least fifty feet at mean low tide. Mr. Fulton re-The Masonic opera house, of Marshfield, has been accepted as one of the play houses of the Northwestern Theatrical Association and Manager Butler says the signing of Manager Butler says the signing of the Marshfield, and Manager Butler says the signing of the Marshfield, and Manager Butler says the signing of the Manager Butler says the signing of the Marshfield, has been accepted as one at Carson and branches at Goldfield, Tonopah, Manhattan and here, closed thing within their power to secure a liberal appropriation for Coos Bay at the next session of congress, and the marshfield, has been accepted as one of the Marshfield, has b frained from commenting upon the Manager Butler says the signing of the contract closed a two years' effort on his part for gaining this goal. The statement, in itself, seems of little consequence, but when it is considered that Coos Bay has been without first-class theatrical products of any sort, the action, when it is understood, will appear to the Coos Bay has been without first-class as one of the most consecutive for a stock placed as security for a \$400. The first class the strict of the bank, is one of the washing as one of the most consecutive for a stock placed as security for a \$400. The first class that if there was a river and harbor bill passed that we would get a liberal appropriation. His discourse throughout was both interesting and instructive, and most flattering for Coos Bay. At the close of his discourse I. W. Bennett of Marshfield delivered one of his charters of our harbor.
