

BIG WEEK AT THE TAYLOR PIANO HOUSE

This has been the banner week. We have sold more Pianos, Talking Machines and Victor records, than we have in any one month since our opening.

Two fine pianos sold on our floor Saturday. This is due to the large stock of high grade pianos we have now on our floor. We aim to carry as fine a selection as you could find in any city four times as large as Marshfield. We also give our customers the benefit of our close buying and easy payment system. We do charge you any more for our goods on payments than if you paid spot cash for them.

As to Talking machines we carry a full line of Victor and Columbia in all the sizes from \$22 up.

There is no record in the catalogue but you can always find here at our house. Where else can you buy a high grade piano for \$10 down and \$6 per month, or a Victor Talking Machine for \$2 down and \$1 per week?

Why not see about getting yours now?

This easy payment system meets with the convenience of everybody. You will never miss the money. A few dollars spent for home pleasures will give you more enjoyment in a piano or a Victor Talking machines than any dollar you ever spent.
