DEPOSITORS ARE SAVED

Portland, Nov. 9.—In a signed statement to the Associated Press tonight William M. Ladd, head of the firm of Ladd & Tilton, bankers, who is a large stockholder in the defunct Title Guarantee and Trust Company, says he will guarantee that savings depositors in that institution will be paid in full within two years from date and as representative of W. S. Ladd, which is back of Ladd & Tilton, he states that Ladd & Tilton will relinquish to the general creditors of the Title Guarantee and Trust Company securities which they hold for a debt of \$507,000 due Ladd & Tilton. Mr. Ladd's statement is in part: "While I have not participated in the management of the Title Guarantee and Trust Company, I am desirous and willing to protect the savings bank depositors of that institution, numbering, as I am advised through the press, several thousand people and representing a total deposit of some \$495,000. To

such depositors I hereby guarantee payment on or before two years from date of approval of their respective claims." Ladd then describes the manner in which this will be done. He says this much is a personal matter with him, and has nothing to do with the firm of Ladd & Tilton. Behind this bank is the entire Ladd estate, he states, and before making public his whole intention regarding the Trust Company it was necessary to secure approval of all the heirs, one of whom lives at a great distance from here. Continuing the statement, he says: "I am now able to add that Ladd & Tilton will relinquish to the general creditors of the Title Guarantee and Trust Company securities which it holds for a debt of \$507,000 due to Ladd & Tilton, this security to be released for the benefit of all depositors and creditors of the Title Guarantee and Trust Company, including Ladd & Tilton."

NEW INFLUENCE TO BE FELT IN EAST

European Investors Will Buy American Stocks at Present Low Prices.

New York, Nov. 9.—A financial force that will furnish a mighty uplift to the monetary situation throughout this country may be reckoned to make itself felt within the near future when European investors, according to views expressed today by international banking houses, are expected to come to New York markets and purchase standard stocks whose prices have been forced to low levels by urgent liquidation. Purchases of American stocks on a large scale by foreign investors spells more gold imports of large proportions and the opinion is freely expressed today that gold will soon be pouring into New York in payment for securities purchased at present, securities which were sold here last summer according to reports made by arbitrage houses today, and these houses may now be considered purchasers of the very securities sold at many points higher than present prices.

MILITARY ACADEMY FINDS DIFFICULTY IN KEEPING RANKS OF CORPS FILLED

Washington, Nov. 9.—The story often told of the inadequacy of army pay is repeated with a new variation in the annual report of Colonel Hugh L. Scott, superintendent of the military academy. In this case, for the first time in the history of the institution, difficulty has been experienced in securing a sufficient number of cadets to fill the ranks of the corps. Colonel Scott says that this corps is now 75 below its authorized strength and the number of resignations from the regular Army includes 50 of this year's graduates from the academy. Colonel Scott says: "In the matter of trained soldiers the output of the military academy cannot with safety be permitted to fall below the rate of consumption of those who have gone before, plus the increased requirements of a great and growing nation. It is believed cannot with safety be permitted to greater fields for promotion of private men are diverting young men from these careers of small pay and slow promotion in our country's service."

Chicago Makes Big Score

Chicago, Nov. 9.—Chicago 55, Purdue 9.

Turned Crowds Away

INDIANS BEAT HARVARD TEAM

Carlisle Eleven Takes Crimson Off Their Feet by Rushing Plays.

CORNELL DEFEATS ARMY

Soldiers Had Advantage Till Near Close—O. A. C. Beats U. O. First Time in 10 Years.

Cambridge, Nov. 9.—Memory of previous defeats was forgotten today in the victory of the Carlisle Indians over Harvard, by a score of 23 to 15. For versatility of plays, the Indian team has not been equalled on Harvard's field since the new rules went into effect. Forward plays, delayed kicks and cross passes followed each other in rapid succession until the Harvard players became bewildered and seemed utterly unable to stop the march of the Indians towards their goal. The visitors scored twice in the first half and twice in the second and four times were on brilliant roughing. Harvard points were made on two touchdowns and a goal from placement by Captain Parker. Each of the touchdowns was made on fumbles by the Indians directly in front of their own goal lines, so it was comparatively easy for the crimson players to push the ball over to score. One of the Harvard goals from touchdown was missed. The Indian quarterback kicked three goals out of four attempts.

U. O. Downed by Corvallis

Portland, Nov. 9.—Special to The Oregonian from Eugene says: For the first time in ten years the football team of the Oregon Agricultural College today triumphed over the University of Oregon. A well directed kick by Fullback Wolff, early in the second half, won the game for the visitors, and although Oregon fought desperately to cross the goal line, her efforts were futile. The score was, Agricultural College 4, Oregon 0. Corvallis won because of better work at critical times and because of fumbles by Oregon. In a general way it may be said that the teams were evenly matched, although members of the university team and their followers admit that the score just about represents the relative strength of the two elevens. The game was witnessed by 4000 people, the largest crowd ever assembled at an Oregon intercollegiate game.

Soldiers Meet Defeat

West Point, Nov. 9.—Cornell and West Point met for their final battle on the gridiron here today, and the Ithaca routed the Army by a score of 14 to 10. Cornell had the ball at the end of the first half with the score 4 to 0, but the soldiers changed this in the second half of the game, when Philcox got through for a touchdown and Beavers kicked a goal. This placed the Army ahead, 10 to 6, but during the remainder of the game the visiting team outplayed the local men who, after having a touchdown and goal scored against them, tried at the last minute for a safety which finished the scoring.

Stanford Wins from Berkeley

Stanford University, Nov. 9.—In a most sensational game, Stanford defeated California this afternoon, 23 to 11. The fast back field of the cardinal broke down California's defense, and swept the blue and gold off their feet.
