NEVADA HAS CLEANING HOUSE.
Four Banks Fail and Convert.

Keno, Oct. 15—The four
eastern banks have organized
a cleaning house. These banks
are as follows: T. B. Black-
stock, of the First National Bank;
C. W. Orndorff, of the
Reno Loan & Savings Bank; R.
B. Boynton, president, and P. S. Spooner, of the
marshfield bank. Secretary.

WHY HAS CLEANING HOUSE.

Tire change is among the leading banks of the
state. "Baccarat" seems to have
arrived at that stage of its operations
which is called "failing." The
banks have been in trouble for some time
as indicated by their statements
of condition. The change will
be made at once.

THE PASSING THUNDER CLOUD

The passing and the men and women who
are active in business and social work today have very real
visions of the great depression which
approached this country in 1929 and 1931.
