New Haven, Nov. 16 .- Yale bulldog won over Princeton tiger on the football field today, the score being 12 to 10. Thirty-four thousand enthusiasts saw the hardest fought game of the year, the result being in doubt until the finish. For the first time since 1903 the orange and black crossed the goal line of the blue, and aided by the toe of Harlan, added the score of a field goal to her touchdown and goal. It was 10 to 0 against Yale at one stage of the game, but Yale's grit came to her rescue and god generalship found a hole in the weakened Princeton line in the second half. Ann Arbor, Mich., Nov. 16 .-Eastern football triumphed once more over the West today when Pennsylvania defeated Michigan 6 to nothing. It was Michigan's first deon Ferry field. Pennsylvaria's score represents one touchdown and a goal for which a cleverly executed onside kick which enabled Gallagher to cross Michigan's goal with the ball was responsible. (It is generally conceded that Pennsylvania showed superiority throughout both halves.

MARSHFIELD SECOND TEAM WINS GAME

The football game played yesterday between the Second teams from the North Bend and Marshfield publie schools was won by the Marshfield boys, the score being 18 to 5. There was some dispute at first as to the elegibility of the players, and the North Bend boys did not want the Marshfield team to play any of the first team, while they had three of the North Bend First team present to play with them. The matter was settled by older heads, who adround, and only one first team player was used out of the Marshfield team. North Bend.
