HOME OF MILLICOMA
CLUB IS DEDICATED

Magnificent New Quarters of
Marshfield's Latest and
Most Pretentious Social
Organization Are Opened
With a Representative
Gathering of the Profession-
al and Business Men of the
City.

The informal dedication of the
magnificent new quarters of the
Millicoma club last evening was
probably one of the most brilliant
events of the kind in the history of
the city. It marks an epoch in the
social annals of Coos Bay. The
leading business and professional
men of the city met and clasped
hands in a pledge of good fellowship
and friendship and a toast to life's
brighter side. The affair took the
form of an informal "smoker" and
the pipes of peace and pleasure were
literally lighted and in the ascending
smoke wreaths rose tinted
dreams of the city's future formed
in the figures of prophecy of which
the Millicoma Club is a promise and
a pledge.

The affair being the dedication of
a new home the attendance was
limited to members only and the
thoroughly representative character
of the gathering was a tribute to the
promoters and organizers of this
splendid new factor in the growth
and development of Marshfield.
Devoted exclusively as it is to the
social side of life, it nevertheless
marks a line in the transition of the
city from its chrysalis of pioneer-en-
vironment to more metropolitan at-
tainments in a commercial as well as
a social way.

Being informal there was no set
program. Men met and mingled, as
only men can without the fetters of
formality. Music, singing, card
games, billiards, talk of trifles and
things substantial all made an even-
ing the memory of which will be
treasured by all who participated in
its pleasures.

The rooms are really regal in
their appointments. They were a
revelation to those new members
who had not borne the brunt of toil
and trouble in their preparation.
The harmony in the color scheme of
the various rooms, the quiet elegance
of the decoration, draperies and fur-
nishings gave it all an air of rich
simplicity and artistic elegance that
is restful to the vision and soothing
to a beauty loving soul. There were
many present who are familiar with
clubs from Portland and San Fran-
cisco to faraway London, and while
there is no thought of setting met-
ropolitan standards it was the gen-
erally expressed opinion that no city
in the country the size of Marshfield
has club quarters that in all ap-
pointments are superior to the new
home of the Millicoma that was so
happily dedicated last night.

While all shared alike in the pleas-
ures and honors of the evening it
was an occasion for special gratifi-
cation on the part of the original
organizers of the Millicoma Club.
What is now a splendid social organi-
zation had its genesis in a little de-
voted band of thirteen—who will
ever again say that thirteen is an
unlucky number?—who about a year
ago inaugurated a movement for
supplying the growing requirements
of the city in a club way. The com-
mencement was made in a modest
way in very modest quarters that
were rent free, but like "Topsy" it
just "grewed" until the present
splendid association is the result.
Altho' they modestly endeavor to
evade the responsibility "Jack"
Flanagan and Dr. Hayden are credit-
ed with being the men behind the
movement in which originated the
fraternizing of congenial spirits out
of which has grown the Millicoma
Club of today.

The new quarters are ample in
proportion and convenient in ar-
rangement. Everything in furnish-
ings and decoration are the best that
money could buy or good taste sug-
gest. The floor plan is well ar-

ranged. From the kitchen and store
room, which may be called a club's
pantry, through the various rooms
comfort and convenience are your
attendants. There is everything to
be found anywhere in a well appoint-
ed club. The buffet is elegantly fur-
nished, cozy card rooms, a large
lounging room in which comfortable
chairs invite rest, and finely fur-
nished bath room, billiard rooms,
reading and writing rooms, secre-
tary's private office, a ladies' dress-
ing room, a spacious hallway that
bespeaks hospitality, make up the
quarters that are only meagerly de-
scribed when they are said to be
beautiful, comfortable and conven-
ient. An elegant grand piano adds
a touch of refinement that is notice-
able.

Much credit for the success of the
opening is due to the house com-
mittee consisting of E. K. Jones,
Wm. Ford and Dr. Hayden who have
had entire charge of the affair and
with whom it was a labor of love.
Many were the encomiums passed on
the work of the committee by their
fellow members during the evening.

The officers and directors of the
club are as follows:

W. S. McFarland, president; J. H.
Flanagan, vice president; J. W. Flana-
gan, secretary and treasurer; J. Al-
bert Matson, Dr. C. W. Tower.

OVERDUE SHIP
REACHES PORT

The Mount Royal Reaches
Queenstown After Rough
Voyage.

(By Associated Press.)

QUEENSTOWN, Jan. 7.—The long
over-due Canadian Pacific steamer
Mount Royal steamed slowly into
Queenstown harbor today. The news
of her arrival was received with glad-
ness in shipping circles. Shortly af-
ter leaving the British coast for Can-
adian ports she encountered a series
of storms and battled bravely for
two weeks until trouble with her
boilers developed when she decided to
make for the Irish coast. She re-
fused the assistance of a tug. All
are well.

HONOR DEAD

IMPRESSIVE CEREMONIES

Children Scatter Fragrant Blossoms
On the Mounds that Mark
Heroes Graves.

(By Associated Press.)

SAN DIEGO, Cal., Jan. 7.—In the
presence of thousands including offi-
cers and sailors of the Pacific squad-
ron and citizens of San Diego and
other southern California cities, who
had gathered to witness the ceremony
the Memorial Monument to the Ben-
nington heroes was unveiled this af-
ternoon at the National Cemetery on
top of Point Loma. Large squads
of marines from the warships in the
harbor joined the local militia. The
naval reserve and two companies of
soldiers from Fort Rosecrans acted as
escort to the cemetery and hundreds
of sailors attended without being
assigned to escort. Right Rev.
Joseph H. Johnson, Bishop of the
Southern Diocese of the Episcopal
Church of California invoked divine
blessing, and music was supplied by
the choir of St. Paul's Episcopal
Church. The principal address was
delivered by Rear Admiral Goodrich,
Commandant of the Brooklyn Navy
Yard, who was commander of the
Pacific Squadron at the time of the
accident to the Bennington. He re-
viewed the history of the monument
and what it commemorated. When
Goodrich concluded, the unveiling
took place, consisting of dropping of
the national ensign which had been
drawn over the tables on the face
of the monument. One is inscribed:
"To the Bennington Dead;" the other
"Errected by the Officers and Men of
the Pacific Squadron, to the Memory
of Those Who Lost Their Lives in the
Performance of Duty." As the flags
dropped the soldiers presented arms
and three ruffles and flourishes on
the drums started the minute guns on
board the Charleston and Chicago,
which were fired regularly through
the remainder of the service. The
second address was given by Colonel
R. V. Dodge, president of the Ben-
nington Memorial Association, and
closing hymn and a benediction by
Bishop Johnson, after which the
graves were decorated with flowers
by the children of Point Loma home-
stead.

Provides for Issuance of Currency to Banks on State
and Municipal Bonds.

paration for some time by the leading republican members of the Senate
Committee on Finance, was printed today and given to the public. The
bill provides for an additional issue of bank circulation which shall at no
time exceed \$250,000,000 on bonds other than those issued by the govern-
ment including state and municipal bonds. The Comptroller of Currency
is given the discretion in the issuance of the proposed currency and is
authorized to decide as to the time and amount to be awarded any bank-
ing institution. It is provided that the increased circulation shall in no
case exceed 75 percent of the value of the bonds deposited.

TO HAVE FERRY
ACROSS INLET

Council to Provide Slip at Foot
Of W Street for East Marsh-
field Service.

The first meeting of the new coun-
cil was held in the city hall last night
with a full attendance. The two new
councilmen, F. A. Sacchi and J. N.
Nelson, were installed without cere-
mony to fill the places of J. A. Mat-
son and Peter Clausen. The mayor's
"budget" for the year 1908 had not
received its finishing touches in time
for the meeting.

Probably the most important item
of the entire meeting was the selec-
tion of a point on the waterfront
which will be used by the ferry oper-
ated between here and East Marsh-
field by the county. The water com-
mittee reported that it had found the
foot of W. street to be the most feasi-
ble for the construction of a slip for
the ferry.

The county court has been waiting
for this decision of the city to set
aside a portion of the wharf for this
purpose, the slip to be constructed
according to the plans of the board.
The county will have a gasoline fer-
ryboat constructed in the near future
for this convenience, and the people
of East Marshfield will be easily able
to come to Marshfield proper instead
of in the present manner. The fol-
lowing committees for the year were
appointed:

Street Committee—L. M. Condron,
A. J. Savage and Frank Sacchi.
Light Committee—James H. Flana-
gan, J. N. Nelson and Frank Sacchi.
Waterfront Committee—J. N. Nel-
son, I. N. Condron and Herbert Lock-
hart.

Bids for the proposed improve-
ments to Laurel street were opened
and Masters & McLain secured the
contract for \$950. H. G. Butler bid
\$1,134; Ferrin & Straw, \$1,250, and
E. O. Hall bid \$1,217.76.

A petition signed by Chief Nichols
and the members of the fire depart-
ment of the city was read, asking
that the city set aside the sum of
\$100 a month for a fund to be used
for injuries received by the firemen
in discharge of their duties and to
pay for clothing injured while fight-
ing flames. The petition was re-
ceived in a manner which indicated
that it would be considered favorably
and was turned over to the fire and
light committee.

A number of bills were approved
and ordered paid.

Chairman Lockhart of the finance
committee did not have the financial
report ready, as the time had been
too short since the end of the year to
secure all bills and make out all the
accounts of the reports. He an-
nounced that he would probably have
it ready for the next meeting.

The city council then adjourned
and will meet next Monday night.
The board of equalization will also
meet next Monday night to consider
the improvements proposed on Sixth
street.

rect information on the proper way

COLOGNE, Jan. 7.—Hearing of
the libel suit for damages brought by
Dr. Carl Peters, former governor of
German East Africa and African ex-
plorer, against the African corres-
pondent of the Berlin Gazette began
today. The Gazette published a state-
ment that Peters had sent a letter to
an English bishop confessing to the
execution of a negress in Africa be-
cause of her sexual misdoings. An
enormous number of witnesses have
been summoned. The whole scandal
of Peter's governorship of East Af-
rica is to be gone into.
