

## AT THE COOS BAY HOTELS

A Record of the Day's Guests and Some Facts and Fiction Common to Hotel Offices

Supper was just over at the Blanco and the usual knot of "knights of the grip" was gathered round the stove in the hotel office.

"Yes," said the cigar drummer, "if the Marshfield people get that library donation from Andrew Carnegie it will be a fine thing. Andy's a churlish old chap though and I wouldn't be surprised but what they experience a little difficulty."

"Carnegie churlish!" exclaimed the Marshall Field representative. "Well I want to tell you that the old Scotchman has a 'joke bone' that would make Peck's Bad Boy look like a tassel on a hearse."

The group around the stove assumed an expectant attitude. A story was coming.

"Here's one I heard just before I left Chicago," continued the knight. "Andy was recently entertaining

a Montenegrin prince at Skibo castle in Scotland. The morning after the prince's arrival an auto trip was taken and en route the car whizzed past an inn where a great crowd of highlanders arose and saluted the party.

"The prince seemed amazed at the highland dress.

"Why?" asked he 'do these men go barelegged?"

"It is a local custom," said Andy; 'a mark of respect for you sir. In some places people take off their hats to show honor to distinguished visitors. Here they take off their trousers.'"

## "SCOTS" WHILE AWAY PLEASANT EVENING

Not in many years has a gathering been so keenly enjoyed as was that given by the "Scots" in Redmen hall on Saturday evening in honor of the anniversary of the celebrated and beloved poet "Bobbie" Burns. An interesting literary and musical program was rendered and a sumptuous banquet was served. From the number of people in attendance one would think that Coos Bay was purely a Scottish settlement, Americanized.

—There will be a Scots meeting at Redmen's hall Wednesday evening at 8 o'clock.

## Does Advertising Pay?

A short time ago we had a special sale on carpets, rugs and lace curtains. As we always do when we have sales we cut prices to the limit. Among our customers was a Marshfield man who bought a carpet. He took it home and liked it so well that he came back after more. We had to charge him 25 cents per yard more than we sold the first for at the Special Sale. Everytime we cut off four yards it cost him \$1.00 more than it would have cost at the Special Sale. This proves that our Special Sales are real money savers. Now Friday we advertised among other things four Kitchen Queens at \$3.50. The regular price of these are \$5.00. A kitchen Queen is a well made, nicely furnished kitchen table with four drawers for knives and forks and kitchen utensils and a chest for flour and another for sugar. One should be in every kitchen. They are a great convenience to every housewife. This price is just about the cost of manufacture. They have never been sold before for less than \$5.00 and will not be again after these four are gone. It is just like getting \$1.50 in cash as a present to buy a Kitchen Queen at \$3.50. Is it possible that there are not four women in Marshfield who do not want to make this money? You must come now to get one or else pay \$5.00. This advertisement will never appear again and you will not have another chance. Come and see them. It will pay you to borrow money to buy one of these at this price. Come to the store and let us prove it to you.
