Woman Insane.—Judge Hall was in the city Monday to examine into the sanity of Mrs. Wesley Barlow of Myrtle Point, who was stricken last Wednesday. She was committed to the asylum, and is being held at the Western Oregon Hospital until the arrival of the guards who will accompany her to the insane asylum.—Coquille Sentinel.

Injured Man Improves.—H. H. Wilson, who sustained serious internal injuries by falling, while at work in the new Williams building on last Saturday, is now progressing very favorably. Mr. Milson struck a 2x16-inch floor joist, displacing the floating rib and rupturing a kidney. He will be confined for about three weeks.

He has recently returned from an extended visit in Southern California, whither he went for recreation and the benefit of his health. He is looking firstrate.—Coquille Herald.

A Serious Accident.—The 12-year son of Wm. Bingaman had a serious accident Friday. He was thrown into the flywheel of the engine on one of the gasoline boats in the harbor and his leg broken in three places, the bone badly crushed. He is improving although it was at first reported that amputation would be necessary.—Bandon Recorder.

Makes Record Trip.—On the last trip of the Alliance to Portland the boat established a record mark for this time of the year. The Alliance left Coos Bay bar at 10:30 o'clock Wednesday morning, and but for a detention of two hours at Astoria would have made the trip in twenty-seven hours. As it was she was fast at the Portland dock at 3:30 o'clock Thursday afternoon.

Relocating County Road.—L. L. Bunch was in the city Tuesday circulating a petition to have the road from the Chas. Bunch ranch relocated on the old Creamery-Jack Wood road across Wm. Colvin and J. N. Jacobson's places. He was successful in securing a large number of names to the petition which will be presented to the next term of the county court.—Coquille Sentinel.

Unusually Fine Attraction.—In spite of a drizzling rain the Crystal Theatre was crowded Monday night. Moving picture films of unusual merit, even for the Crystal are being thrown on the screen this week. The strong feature, however, is the superb singing of Demaris Gabbert. Until the midweek change on Thursday evening, she is singing, an Irish ballad, "The Land of the Celt and the Gael." The song is beautifully illustrated with colored slides.

Surprise Party.—Saturday evening at the home of Mr. and Mrs. Charles Bonebrake, South Marshfield, a delightful surprise party was given by the many friends of Mr. Bonebrake. About 8 o'clock about thirty persons, previously assembled, walked in, and for the next five or six hours good fel-

Personal Notes.

E. L. C. FARRIN and WIFE, who have been in Portland for a short visit, returned on the Alliance.

MRS. W. LAWHORNE, of this city, has returned to her home after visiting with friends at Libby.

EVAN HODSON, of Coos River, has returned to his home after having spent a few days at North Bend.

MISS CARRIE JOHNSON is very ill with an attack of appendicitis, at the home of her brother, T. Johnson, of this city.

CAPTAIN WESTHOFF, of the U. S. coast and geodetic survey, is on the bay for a short visit. This is the captain's first visit here for several years.

MRS. E. R. HODSON and children have been spending several days as the guests of Mrs. Robert McCann, of North Bend. They returned to their home on Coos river this afternoon.

MRS. R. SUMMERLIN, of North Bend, was reported improving last evening. Mrs. Summerlin has been dangerously ill for some time, and her recovery is certainly a welcome message to her many friends.

MASTER FISH WARDEN H. G. VAN DUSEN arrived on the Alliance and Tuesday morning went up Coos river, in company with Frank Smith, to inspect the Coos River fish hatchery.

GEORGE ERICKSON, who has been pharmacist in the Sengstacken drug store, recently sold to E. D. McArthur, for about two years, will leave on the next Breakwater for Portland. He will return to the Bay after a visit in the Lose City.

MR. and MRS. L. J. BOWMAN left overland recently for their home in Portland, being called from Coos Bay on account of the illness of their youngest child. Mrs. Bowman is the daughter of Mrs. Anson Rogers, of Coos river, and has been her guest for some time past.

MRS. WILLIAM MCCLURE and MRS. ROY PERKINS, of Marshfield, paid friends a visit in this city and on the upper river a day or so last week. . . . Mr. and Mrs. Nels Osmundson, of Marshfield, returned Monday after a visit with Mrs. G. R. Wissham, of this city, mother of the latter.—Coquille Herald.

lowship and mirth reigned supreme. Vocal and instrumental music, cards and dancing contributed to the evening's pleasure. The guests were also treated to a delicious luncheon.

Verdict of Guilty.—Late yesterday afternoon, before the jury summoned by Marshal Carter, the case of Minot vs. Watkins was tried. The jury returned a verdict of guilty, with a recommendation for mercy, against the defendant. Judgment was withheld by Judge Upton pending the filing of a petition for a new trial by the defendant.

Fishing Expedition.—Captain Herman Kruger, of the launch Sea Foam, left early Monday morning to "see foam" around the vicinity of Allegany, with the intention of catching a couple of barrels of trout to last him and his crew through the month of March. The catch of fish was no catch, and First Mate Nels Osmundson, Chief Engineer Bill Rambles and Harry Larson royal chef of the excursion, begged Captain Kruger to give up the expedition and land them home to their beloved firesides.

Business Good.—F. S. Dow, the commission man of Marshfield, was in the city Tuesday transacting business. In conversation with Mr. Dow he reports that his business has doubled in the past few months and this year will be a banner one for every business man. He claims that the near approach to the time of starting up C. A. Smith's new mill and the opening up of the new camps has a tendency to strengthen business in Coos county for several years to come.—Coquille Sentinel.

Will Get In The Game.—Last year Myrtle Point had no base ball because there was no suitable grounds for the game. This spring base ballists and owners of speed animals as well as others desiring a track and amusement park, are talking up the advisability of getting control of a piece of the meadow in the south-eastern part of the city and fitting it up for these purposes. If all who are interested in such amusements unite it is probable that such a park could be secured and improved. It is practically certain that the Coos county base ball league will be in operation again this summer and if Myrtle Point is to be in the game it is none too early now to begin agitating the proposition.—Enterprise.
