

MAGNES & MATSON

Showing New Goods In Every Department

Spring stocks are now in splendid condition and selections may be made with the assurance that everything is in keeping with the dictation of fashion. Assortments were never more complete nor prices more moderate. The new showings fairly breathe with new thoughts peculiar to the season.

Our Showing of Spring Dress Goods

This display surpasses all our former records in variety, number and beauty of styles and fabrics, and the great number of superb novelties and exclusive designs. We invite you to see the goods while they are at the zenith of their freshness. We think you will say the showing has never been surpassed here.

The materials include Voiles, as light as a spider's web; with crisp, serviceable Panamas; beautiful, shimmering Eoliennes; Mon Reve; Light Suitings with new arrangements of Plaids and Stripes, and hordes of other subtle color blendings and effective weaves.

Opening of Wash Goods for 1908

Today sees the first showing of the finer wash fabrics for spring and summer of 1908. You are invited to inspect the collection. The display is a veritable feast for the eyes. So sheer and silky are the grounds; so deftly wrought the woven stripes or cross bars and the embroidered figures, and so delicate the printings.

The most skillful designers and the best mills of England and America have contributed to the collection. We pride ourselves on being able to show exclusive patterns confined to us by the most progressive and exclusive dress goods house in the United States.

LACES

An exhibit of handsome spring laces. The lace section is aglow with the latest spring creations. And we believe we are showing the handsomest collection of laces we have ever asked you to inspect. Designs that are decidedly authoritative. Exquisite laces to which Dame Fashion has already given a nod of approval, especially to a beautiful filet valenciennes effect which is to be the coming season's most popular style. Real Cluny Edgings, bands and allovers. Real Irish Laces, black and white Oriental and net top laces, embroidered allover Venise, baby, Irish point, gauze, applique and chantilly in white and cream.

If you are planning a spring dress or gown of any kind, you must certainly see this collection.

EMBROIDERIES

New embroideries for spring. We desire to announce the arrival of another large shipment of new spring embroideries, consisting of elegant corset cover embroideries, in the very "latest" and most "dainty" styles; handsome new skirting embroideries, in both edgings and insertions. Also some very handsome white embroidered muslin robes. Altogether forming the finest stock of high class embroideries to be found in Marshfield. To get really dainty goods it is necessary to get first choice. We cordially invite the ladies of Marshfield to visit this department and inspect our new embroideries.

SHIRTWAISTS

Here are the new spring waists fresh, beautiful, low-priced. Dozens of beautiful new styles in tailored and lingerie waists, are now receiving the admiring attention of our customers. What will at once impress you is the great number of models which comprise the new waist showing, the decided novelty and beauty of the styles, and the very moderate prices. We have never seen more charming waists. Clever designs and careful making are notable throughout the collection. And to add to the attractiveness of the new waists we have priced them unusually low. Values at every price are positively the best to be found. We have been fortunate in securing the noted "Marquise" Waist line, celebrated for their correct styles and perfect construction.

The Dress Trimmings, The Silk Petticoats, The Ladies Under Muslin etc., were never prettier and more bountifully supplied.

SCHOOLS HAVE FIRE DRILLS

A fire drill was held at the Marshfield school Friday afternoon. The building was vacated in one minute and forty-five seconds. The drill was very orderly and no confusion was apparent.

The movements of the pupils were made with the alertness and precision of militia, and was a compliment to the teachers' methods, as well as the system and management, handling the 500 in this brief space of time.

A fire drill was also held at the North Bend school. The time was reported as two minutes.
