MEXICAN CITY DESTROYED BY EARTHQUAKE AND FIRE

Town of Chilapa With 15,000 Inhabitants Report to Have Been Wiped Out.

City Destroyed by Earthquake and Fire.

The town of Chilapa, in the state of Morelos, was completely destroyed by an earthquake on the night of Thursday. The death toll was not immediately known, but it was estimated that at least 10,000 persons were killed.

The town was completely leveled, and the wreckage was so extensive that it was impossible to estimate the number of casualties.
