DRAIN LINE STATUS TOLD

Dr. J. W. Ingram Gives Interesting Information Concerning Railway Work.

In a letter to D. W. Small, Dr. J. W. Ingram, who left here a few days ago for San Francisco to take a post graduate course at San Francisco, gives many interesting facts concerning the status of the work on the proposed Drain-Coos Bay railway. He gathered some interesting information on the actual physical developments of the line, showing how quickly the work can be accomplished as soon as E. H. Harriman floats the \$100,000,000 bond issue which his directors authorized the other day to build extensions and improve the Harriman lines.

In his letter to Mr. Small, Dr. Ingram says:

"I shall try to tell you what has actually been done on the Drain-Coos Bay railroad.

"At Scottsburg, where I spent my first night out, I found out, thru Mr. Heydon, the grocer, that all talk of early resumption of construction work had been dropped and that all supplies purchased last fall, especially 1,500 pounds of ham, 150 sacks sugar, etc., had spoiled; however, they have hundreds of barrels of cement at Gardner and Scottsburg.

"There has been some work done this past spring and no orders for the immediate future, however, a small mill on Elk Creek out about four miles from Drain, is cutting ties every day for the Southern Pacific which looks good, and they must have several thousand already piled up ready for use.

"The road is actually graded out about three and a half miles, and the trees cut down, but not cleared, for another seven miles. They have in about three or four concrete culverts and three large concrete bridges across Elk Creek completed, and the track laid out for a distance of 2 1/2 miles. They have still six or seven more large concrete bridges to construct between Drain and Scottsburg. A Southern Pacific man at Drain told me that long before summer had passed they would be doing business in earnest. How much he knows I cannot tell.

"I may possibly return via Drain just to note the progress."

DR. J. W. INGRAM.

NEW FURNITURE STORE HERE

Fine New Establishment For Outfitting Homes to be Opened in Marshfield.

Perry, Montgomery & Co. will occupy the entire building soon to be vacated by Merchant Bros., with a complete line of furniture, draperies and floor coverings.

Mr. C. K. Perry, the senior partner of the firm is a native of Chicago, where he acquired his first experience in the furniture business with the leading establishments in that city. Later, and for the past 12 years he has been buyer and decorative contractor for one of the largest houses in the south spending most of his time in the New York, Chicago and Grand Rapids markets.

Mr. R. J. Montgomery is well known on Coos Bay and has many friends throughout Coos county who will be pleased to learn that he is to be identified with the new firm and will wish him unbounded success.

This new store will be first-class in every respect and will be one of the show places of Marshfield. Extravagance will be avoided but good merchandise and harmonious treatment of home decorations will be features of the new establishment.

Mr. Perry is now on his way East to select the stock which will be shipped in solid car load lots direct from the manufacturers to Marshfield. The opening will take place early in July.

Has Left the Ocean.—Captain R. W. Merriam, well-known on Coos Bay as the former master of the Alliance and of the Kilburn, has written friends here that he has given up the ocean and engaged in the real estate business at Blue Lake, Cal. He expects to come to Coos Bay soon to visit friends here.

Tom Coats Worse.—Tom Coats, the young man who was suddenly taken ill of appendicitis at the Garfield hotel and later taken to the General hospital where he underwent an operation had a sudden turn for the worse today. He came to Coos Bay but a few weeks ago from Idaho. His home is in Missouri.

Firemen Fixup Hall.—The Marshfield Fire Department tonight will celebrate the covering of a floor of their hall with linoleum. The improvement will cost \$65.85 and is paid for out of the firemen's own by-laws to agree with it.
