COOS BAY SCHOOLS.

The schools of Coos Bay are developing into a system of which the citizens will sometime have a right to be proud. It cannot be said, however, that they are in advance of the needs of the locality or that they have made any special arrangements as yet to receive the pupils who are likely to seek their advantages next year.

Competent teachers are necessary to the success of any school assuming to supply an academic education. By competency is meant the ability to interest the pupil and impart to him or her the training and learning which schools are established to supply.

Other Animals. "Doc," declared the bibulous patient to a Coos Bay doctor, "I can't sleep." "Try counting sheep." "But, doc, I don't see no sheep."

THE BAPTIST LADIES will have another cake sale at Stutsman's office next Saturday. F. S. DOW wants good potatoes, call for prices.

WITH THE TOAST AND TEA

GOOD EVENING. When you and I behind the veil are past, Oh, but the long, long while the world shall last, Which of our coming and re-parture heads As the Seven Seas should heed a pebble cast. —Omar Khayyam.

The Smoker's Sad Lot. The man who smokes 10-cent cigars Or two-fers, stogies, or a pipe, Who puffs inside the smoking cars— The smokestack's human prototype (Perhaps that simile's not right, But "pipe" has none too many rhymes)— Is apt to hear this day or night THH through his memory it chimes: "You smoke too much."

If he complains about his health And says that his digestion's bad, They drop the hint on him by stealth And for the opening are glad. If he observes that times are hard And that he cannot save enough, With this remark thy'll interlard His constant rhythmic draw and puff: "You smoke too much."

No matter what the poor man does, No matter what he doesn't do, No matter what the poor man was, Nor what hard luck he struggles through; If he should have ingrowing nails, Or if his voice in singing fails, Somebody else is sure to speak: "You smoke too much." —EX.

Slightly Different. "Miss Gabbie seems like a pleasant person to talk to." "Indeed? She doesn't seem to think so."

Sad. I had it framed up to my mind And looked all to the good; So plain it was that even the blind Could see just where I stood; It seemed as clear as open day Without a mist or fog, When suddenly, like any jay, I went and slipped a cog.

SISTERS OF BETHANY will meet at the home of Mrs. A. McKeown, Wednesday, May 27, 1908, at 2 p. m.

COOK WITH GAS Our new plant is thoroughly modern and up-to-date. No better gas can be made than we are producing. We are connecting up new customers every day. Is your application in? If not call us up and we will send a man to see you. If gas was not the thing for cooking with, it would not be used by upwards of 9,000,000 people in the United States. We are selling gas stoves at a very low price and making a nominal charge for the service pipes to our mains. The Coos Bay Gas & Electric Co.
