LARGE NUMBER HEAR STEVENS ON SOCIALISM.

Umatilla Man Delivers Address at Skating Rink in Behalf of Doctrine.

A good sized audience heard J. D. Stevens of Umatilla county deliver an address on socialism at the Skating Rink last evening. Considering the number of other entertainments going on in the city, the attendance was very satisfactory. Mr. Stevens is an entertaining speaker and for nearly two hours set forth the advantages of socialism, answered the criticisms of it that have been made by opponents and urged the Coos county Socialists to work harder than ever for victory. He believes that the tendency of the day is towards socialism and that it will be a comparatively short time until the cause triumphs. Mr. Keith presided as chairman last evening. Considerable literature in behalf of the Socialist candidates for office in Coos county was distributed.
