### DEDICATION BALL WAS GREAT SUCCESS.

Scores Attend Opening Function by Knights of Finland at Their New Hall.

The dedication ball given by the Knights of Finland in their new temple on 'C' street Saturday night, was attended by one of the largest audiences that has assembled at a similar function on Coos Bay. A most enjoyable time was had and the Knights of Finland were the recipients of many compliments from the large audience not only on the excellence of their new home but in the manner in which they conducted the opening entertainment. The evening's dancing program was followed by refreshments served in the banquet hall of the temple. The floor of the new temple is one of the best, if not the best, on Coos Bay being of Rock Island maple.
