# COOK WITH GAS

Our new plant is thoroughly modern and up-to-date. No better gas can be made than we are producing. We are connecting up new customers every day. Is your application in? If not call us up and we will send a man to see you. If gas was not the thing for cooking with, it would not be used by upwards of 9,000,000 people in the United States. We are selling gas stoves at a very low price and making a nominal charge for the service pipes to our mains.

## Our Sausage Business

Has grown so rapidly that we have found it necessary to employ an extra man for that department. We have secured the services of an expert sausage man from Portland who makes as good sausage as is produced in the State of Oregon. He knows how. Just the right amount of seasoning combined with our fine meats. A trial order will convince you. Let us have it today.

# THAT CARTOON

The reformer, in his zeal for whatever cause he represents, invariably and without exception, overdraws the evils he fights and as a matter of course, injures his chances of success.

So it is in the present campaign which the Prohibitionists are waging in Coos county. An appeal, to be effective must be made on truthful lines and not embellished with stretches of imagination and untruths.

The uncanny caricature mailed in Marshfield within the past few days is an example of the length to which fanatical sophistry will go to gain an end. Among other things represented in this picture is the Wilcox dance hall, and young boys in knee pants are shown drinking at the bar, while others are depicted in drunken stupor.

The Wilcox resort has been an eyecore and a disgrace to Coos county for a number of years and everybody agrees that it has. But it has been successfully effaced from the roster and will so remain. For this ridance of an iniquitous den, the Prohibitionists can claim no credit. That belongs to the citizens of North Bend who went after it locally by ordinance and in the circuit court through criminal proceedings. The citizens of North Bend are to be congratulated for their victory in this matter. The Prohibitionists have classed

this resort with the saloons of Coos county, when they well know that the place has been a thorn in the side of the saloon man, without exception. In their frenzied campaign, the Prohibitionists lose sight of the fact that they have suffered the place to run for years without question. Whatever prosecutions have been attempted in the past have been launched by individuals who had personal cause for complaint. Where have the Prohibitionists been all this time that they were not at the front striving to eliminate the resort? Now, when the North Bend citizens have succeeded in closing the place, the general campaign managers come out with an intimation that to them is due the credit for the work, and as campaign capital employ statements and caricature which are wide of the mark.

Where is there a fair minded man who believes that boys of ten and twelve years have been allowed in this resort to participate in the various orgies? There is none, and the very fact of the misrepresentation injures a cause which, had it been conducted in honest and righteous earnestness, had a good chance of success at next Monday's election.

And, now it is up to the voters. Does Prohibition Prohibit? Think it over and vote your honest convictions.

CHAS. THOM,  
 ALBERT SEELIG.

**Challenge For Debate.**—Hugh McLain, the Democratic candidate for state senator from Coos and Curry counties, has issued a challenge to W. C. Chase of Coquille, the Republican candidate, to meet him in joint debate on the issues of the campaign.

**Three Holidays For Banks.**—The banks will enjoy three holidays together soon for the first time in many months. Saturday is Decoration Day and they will be closed, then follows Sunday and election on Monday makes that day a legal holiday also. Not many other business houses will recognize the three days to the extent of closing, in fact most of them will close only as usual on Sunday.

**Gets Gold Card.**—T. J. Lewis has just received the life membership card for the honor that was conferred upon him a few months ago by the Marshfield Aerie of Eagles. The card is one of the finest and most beautiful emblems that was ever presented to any man and is said to be a duplicate of the one given President Roosevelt by the Order a few years ago. It is a gold card, hinged and is handsomely engraved with Mr. Lewis' name and the names of the officers of the Aerie which presented it.

**Find Note in Bottle.**—George Goodrum has been made the victim of a practical joke. Someone several weeks ago put a note in a bottle and threw it into one of the inlets. On the note was written: "Finder will be rewarded on presentation of this to George Goodrum's store at Marshfield." A North Bend logger found the note in the bottle near there a couple of days ago and brought it down for his reward. While it was all news to Mr. Goodrum, he presented the man with a necktie but declares he can't continue to pay rewards that he doesn't personally offer.

## POLITICAL ADVERTISING.

**POLITICAL ANNOUNCEMENTS.**  
 To the Voters of Coos and Curry Counties:

As a candidate for joint senator, I have been asked to make a public statement.

Of myself personally, I shall say nothing as I have lived in Coos county for the past fourteen years, and during that time have actively engaged in many occupations and enterprises, including coal mining, logging, road building and general contracting, so that I have come in contact with most of the active elements in the county development, and my character, dealings and reputation are well known to many and easily ascertained by all. As to my general qualifications for the office, I leave the public to judge, but that there may be no misunderstanding of my position, I make this public announcement that I have signed Statement No. 1, and if elected shall vote for the people's choice for United States senator.

My experience and acquaintance with local conditions should enable me to properly represent the district, and I therefore feel justified in asking your support.

HUGH McLAIN.

# Personal Notes
