## HARMONY IN HUGE CHUNKS FOR COOS BAY.

Carload of Pianos Direct From New York City For the W. R. Haines Music Company.

The W. R. Haines Music Company received a carload of pianos direct from New York City on the last boat from Portland. Nothing more emphatically marks the growth and development of Marshfield than this large shipment of musical instruments. The assortment consists of Baby Grands, The True Mission, Hand Carved, Plain Cased, Regal Woods, in San Domingo mahogany, Circassian and black walnut and the latest of Oak and Bodoir woods.

In talking with a Times reporter today, Mr. W. R. Haines said: "We have the goods, and with this last shipment are in a position to permit people to make as fine a selection as though they were in New York City. The prices we make now includes regulating and tuning as we have our own expert for this work, who has recently arrived from one of the prominent piano factories of the East and is permanently located with the W. R. Haines Company."

If you want to buy or sell anything, be sure and use The Times' want column. It always gives results.

Fire extinguishers have been placed in the halls of the school-house.

### COMIC BILL AT THE CRYSTAL.

The new program at the Crystal is the laughable kind that always delights. "The Apple of Discord" is a colored film of unusually novel make up—each scene being apparently aliced of an immense apple. "A Restful Ride" is anything but restful and it keeps everyone laughing. "A Red Hot Day" and "Bulgarian Army Maneuvers" are also good films. Two catchy illustrated songs finish out the interesting program.
