

MANY ATTEND ALUMNI BALL

Annual Function of Marshfield High School Alumni Held Last Evening.

The annual "Prom" of the Marshfield High School Alumni at the I. O. O. F. Hall, last evening, was one of the most successful and most largely attended ever given by the association and probably surpassed any similar social function ever held on Coos Bay. While the 200 or 250 present rather crowded the hall, the large number did not detract from the pleasure of the evening.

The hall was beautifully decorated for the occasion, huckleberries being used extensively in the decoration scheme. Other features of the decorations were festoons of Japanese lanterns, hanging baskets of rhododendrons and other flowers and a rustic fence across the stage, screening the musicians. Marshfield high school penants were also hung throughout the hall.

Fred. McCormac and Tom Patterson presided at the punch bowl during the evening.

It was a dress affair, and most of the ladies appeared in white. While the majority of the guests were of the younger set, a number of the older ones were present. There were eighteen numbers on the program with four extras. Music was furnished by the Coos Bay Orchestra.

EXERCISES ON FRIDAY.

Eighth Grade Arranges Program For Tomorrow Afternoon.

COMMENCEMENT.

- Graduation,
- Invitation,
- Relation,
- Preparation,
- Ornamentation,
- Aggregation,
- Supplication,

The pupils to be promoted are:
February class—Nora F. Tower, John Greenwood, May Preuss, Ivan Gulovson and Inez Johnson.
June class—Florence Aiken, Ruth Allen, Milton Carlson, Clay Church,

MILLIS TALKS OF COOS BAY

Gives Out Booster Interview In Portland On Business Conditions.

PORTLAND, June 11. — C. J. Millis, vice-president and general manager of the Coos Bay, Roseburg & Eastern Railroad & Navigation Company, is in Portland coming here to meet his daughter, Mabel, who has returned from Cornell University, where she has taken a year in music. Mr. Millis is well known in Portland, where he was until a year ago livestock agent for the O. R. & N. Co. As manager of the Harriman property in Coos county, he makes his headquarters at Marshfield. He is also manager for the Portland & Coos Bay steamship line and the Beaver Hill Coal Company, all Harriman properties.

Coos county has, apparently, not heard of the financial depression, for Mr. Millis says business in general on his road has been better during the past month than during the corresponding month of last year. The steamer business, says Mr. Millis, is hardly up to the traffic handled by the other interest, one reason being that the movement of traffic into the Coos county is not quite as heavy this season as it was last.

"Our coal mines are being developed in great shape," said Mr. Millis. "Large quantities of the coal are being shipped to San Francisco by the steamer Czarina."

"The statement has been made that we are making preparations to take the steamer Breakwater off the Portland run, but this is not the case. We shall leave the boat on the Portland route just as long as there is traffic for her, and we certainly do not contemplate withdrawing her. The steamer has made 51 round trips between Portland and the Coos Bay ports during the past fiscal year. There was no delay whatever at either bar. She is the only steamer on the Oregon coast that crossed either of the two bars on January 4 and 5 of this year, when there was exceptionally heavy weather, other vessels being bar-bound."

BENEFICIAL NOTICE TO THE PEOPLE OF COOS BAY AND VICINITY.

Have secured low prices on all kinds of leather whereby I can reduce prices on all my work, and also up-to-date machinery, to do any kind of work and meet any competition that may come in my way. I therefore take the pleasure in announcing the present prices on work done in my shop.

To wit: Sewed half-soles from 75c to \$1.00.

Half-soles nailed on with iron tacks, 90c.

Half-soles nailed on with brass tacks, \$1.00.

This refers to straight half soles. Any additional to that will be charged extra.

Heels and half-soles at \$1.25.

Ladies and children's repairing in comparison.

New work arranged from 50c. to \$2.00, lower than present prices, according to quality of leather and make.

We guarantee first class jobs on second class prices, and we are willing to enter into the contest with any leather butcher on the coast for any price they see fit to manufacture leather goods.

Harness and harness supplies will after this be sold down to "Rock Bottom Prices."

Hoping and trusting that the people of Coos Bay will take advantage of these prices, and patronize an up-to-date shop, now located on Broadway, in the front of Dow's Warehouse, next to the C. A. Smith's Lumber Company's office.

I remain yours truly,
O. O. LUND.

Poverty you bet, June 20.

ALL MILLINERY is being sold at Mrs. A. G. Aiken's at greatly reduced prices.

NOTICE.

Bids will be received for building a grand stand at Fair Grounds up to 7:30 p. m., Friday, June 12. See specifications at Chamber of Commerce. Reserve right to reject any or all bids.

COOS & CURRY DISTRICT FAIR ASSOCIATION.
F. P. NORTON, President.

Arthur Chope, Clifford Doane, Will Hutcheson, Will Horton, Ethel Kuhn, Uma Marsh, Charles Merchant, Madge Savage, Francis Williams, Ruby Watkins and Irene Preuss.

NORTH BEND NEWS

Wm. Turpin of Empire City, was calling on North Bend friends yesterday.

Dr. H. C. Burmeister of North Bend, will leave on the Breakwater to attend the annual convention of the Oregon State Dental Society.

Mrs. Haughton, who has been ill of Bright's disease and dropsy, is reported to be in a critical condition. A daughter at Portland has been sent for.

Mrs. Cunningham of Myrtle Point, who recently came to North Bend to visit with her daughter is reported critically ill and little hope is held out for her recovery. She moved to Myrtle Point thirty-two years ago and is one of the oldest living pioneers of that section.

A number of North Bend people are planning to call a meeting to make provision for the establishment of a cemetery. It is proposed to buy a large tract in a suitable location and for the present, improve but a small portion of it. Early action will probably be taken.

The two-year-old child of Mr. and Mrs. J. J. Burns has been seriously ill of peritonitis, but was reported somewhat better this morning, and Dr. Gale who is attending has hopes

for its recovery. Mrs. Burns who has been in Portland is expected in on the Breakwater tonight.

EDWARD KEANE of Beaver Hill, is spending a few days with his mother in Marshfield.

MISS LIZZIE WILSON of Gardiner, who has been in ill health for several months, was in Marshfield yesterday to secure medical treatment.

C. A. SMITH of Minneapolis, who has been spending a few days at the mill here, left yesterday via Drain. He expects to return in the near future.

Dr. Bert E. Schoonmaker has moved his dental offices to second floor of the new First Trust and Savings Bank building.

NOTICE.

Notice is hereby given that all chimneys, flues, stoves or smoke pipes must be cleaned within ten days from this notice and if not cleaned by the owner or occupant of said building that the same will be cleaned under the supervision of the city marshal and at the expense of the owner or occupant of said building, in accordance with Ordinance No. 141, which provides that a refusal to comply with the provisions of this ordinance shall be deemed a misdemeanor and punishable by a fine of not more than One Hundred (\$100) Dollars, or by imprisonment in the city jail not more than twenty days, or by both such fine and imprisonment. This Ordinance will be strictly enforced.

MILNER'S HARDWARE

Buy Your Wife a GAS STOVE

It converts the drudgery of the kitchen into a pleasure. It reduces a woman's housework one-half. You can sleep later in the morning as the fire does not have to be made a half-hour before time to cook.

Call at the office and see those instantaneous water heaters. Turning on the cold water lights the gas and heats the water in one minute, turning the water off shuts off the gas.

You would not think of going back to the old kerosene lamp after using electric light, would you? Well, when you have once used a gas stove nothing could induce you to use anything else.
