

MEN OF THE HOUR

THOMAS E. WATSON.

Mr. Watson, the People's party nominee for president of the United States, was born in Columbia, Ga., in 1856 and served in congress from 1891 to 1893. While in congress he obtained the first appropriation for the free delivery of mails in rural districts ever passed by that body. Mr. Watson is a writer of exceptional ability, his subjects being largely of a historical and biographical nature. The most noted of his works are "The Story of France," "Life of Napoleon" and "Life of Thomas Jefferson." His home is in Thomson, Ga.

The Constitution Is Sufficient To Meet Every Emergency.

By Governor JOHN A. JOHNSON of Minnesota.

IN this hour, when there seems to be a disposition to depart from the established forms, when there seems to be a desire on the part of those in authority to abide in a CENTRAL BUREAUCRACY RATHER THAN IN A REPRESENTATIVE DEMOCRACY, it becomes you and me to protest against any departure whatever from the government which came to us from the constitutional convention of 1787 and the amendments which have been made to it by specific will of the people.

The MARVELOUS FORESIGHT OF THE FATHERS OF this country in framing the constitution of the United States is shown by the fact that, in spite of all the changes which have occurred in industrial and economic conditions, in spite of the unexpected expansions of the country, the constitution has been found sufficiently flexible TO MEET EVERY EMERGENCY WHICH HAS ARISEN.

LET US REMEMBER THIS, FOR THE DANGER OF TODAY IS THAT THE AMERICAN PEOPLE MAY BE LULLED INTO A FALSE SECURITY AND, YIELDING TO THE DEMANDS OF SELFISH INTERESTS, PERMIT THE BREAKING DOWN OF CONSTITUTIONAL PROVISIONS, UNDER WHICH THE AMERICAN PEOPLE HAVE ATTAINED THIS WONDERFUL DEGREE OF MATERIAL PROSPERITY AND HAVE YET MAINTAINED THE INDIVIDUAL LIBERTY OF THE CITIZEN.

Our government is divided into three separate and distinct co-ordinate branches—the legislative, the executive and the judicial. DANGER WILL SURELY COME TO THIS REPUBLIC when any of these departments of government attempts in the slightest degree to USURP THE FUNCTIONS of the other, and, while now and then it may be that a court of the land in construing the constitution may nullify a section of it, I have the faith to feel that the people of the country will rise above the fallibility of judicial tribunals and ASSERT AND PRESERVE THEIR OWN RIGHTS.

OUR DUTY IS NOT TO CRITICISE THE EXECUTIVE, THE LEGISLATURE OR THE JUDICIARY. OUR DUTY IS TO RECOGNIZE THE MAJESTY OF THE LAW WHEN ENACTED BY THE LEGISLATURE, TO ABIDE BY AND WITH THE HONEST EXECUTION AND ADMINISTRATION OF THE LAWS WHEN SO ENACTED AND TO RESPECT, EVEN THOUGH WRONG, THE OPINIONS OF THE COURTS OF THE LAND, BECAUSE WHEN RESPECT FOR THESE INSTITUTIONS IS GONE THEN THE VERY FRAMEWORK OF OUR GOVERNMENT IS BOUND TO CRUMBLE AND DECAY.

FORTY-TWO EGGS A SITTING.
Missourian Bets he Can Eat and Digest Them.

MONTGOMERY, Mo., June 12. — Louis Gill, the champion egg eater and butcher of this city, says he can smash to smithereens the record of Frank Ryan of Whiteside, Mo., who is reported to have eaten as high as thirty-five eggs at one sitting.

To prove his assertion. Egg-eater Gill has offered to put up \$50 that he can consume forty-two eggs in a contest for the championship and \$50.

Gill's highest record is thirty-six eggs, but he is inspired by the contest that is now on in the country to greater things; therefore he challenges the world that he can swallow

forty-two Missouri eggs and digest them or forfeit his \$50. Gill formerly conducted a restaurant at Iola, Kan., where he began his career as a champion egg eater; also a possum consumer, got hold of a fine possum and cooked it in a very delicious and appetizing style. O'Donnell was called away from the restaurant on business. During his absence Gill forgot he had a partner in the feast and consumed the whole possum. But Gill does not aspire to become the champion possum eater of the country, leaving that to the Ethiopian race, but he does dare to bet that he has a capacity to digest hen fruit by the dozen. He likes 'em soft boiled with a little coffee on the side, having been known to drink as high as six cups at one sitting.

CULLINGS OF COQUILLE.

Events of Interest as Related by the Sentinel.

The new boat which Mr. Churchill built last summer near Johnsons mill will be ready to run between this city and Bandon in a few weeks. The schedule will be to start from Coquille at 7 a. m. and from Bandon at 1 p. m. A powerful gasoline engine has been installed and it will be a fast boat.

Lloyd Spires of Myrtle Point, and E. A. Anderson of Marshfield, were in the city Tuesday to attend a meeting of the District Boundary in regard to consolidating Bunker Hill and South Marshfield schools.

Miss Gertrude Wilson, teacher in the public school, will leave Saturday by the Breakwater via of Portland for her home in Jacksonville.

Mr. and Mrs. J. A. Lamb will leave Saturday for Portland where Mr. Lamb goes as a delegate to the Masonic grand lodge and Mrs. Lamb as a delegate to the Order of Eastern Stars.

The annual school meeting will be held at the school house Monday, June 15th, for the purpose of electing a director in place of W. H. Schroeder whose term will expire.

E. Schneider leaves today for Portland where he will attend the grand lodge of the Masons, representing the local lodge. He is master Mason of the local lodge.
