**On Prospecting Trip.**—Dr. A. C. Burroughs, wife and four children, and H. L. Buck wife and son, arrived in Marshfield today from Hotchkiss, Colorado. They are on a prospecting tour looking for a good fruit country and were lured to Coos Bay by news of its Gravenstein apple. If they are favorably impressed with Coos Bay and locate here, several families will follow them to this section.

**New Crime Is Charged.**—George Cottell has identified one of the razors found in the belongings of Tom Haggerty, the suspect recently arrested by Marshal J. W. Carter for the Ten Mile thefts, a razor that was taken off his (Cottell's) boat which was stolen some time ago. This practically establishes the guilt of Haggerty for this crime. Marshal Carter believes that practically all of the petty thieving that has been going on around the Bay for some time is Haggerty's work.

**Change Firm Name.**—The directors of the Davis-Schultz Company have decided to change the firm's name to "Western Oregon Company, Wholesale Grocers." The change was made because the new title is more explanatory and more expressive of the company's business and also of its scope. The company's business has increased rapidly and its field now includes all southwestern Oregon.

**Marshfield Ten Mile Colony.**—L. A. Liljeqvist returned today from a combined business and pleasure trip to Ten Mile. He reports a goodly colony of Marshfield people there. Among those spending Sunday at this resort were Mr. and Mrs. J. H. Milner, T. J. Lewis, Lawrence Holmberg, Otto Schetter, H. W. Skinner, Jack Flanagan, J. W. Bennett, J. N. Teal, and Frank Lambertson.

**Children's Day at Eastside.**—The Eastside Bible and Sunday school observed children's day with a very interesting program at the Eastside school house at 3 o'clock in the afternoon yesterday. The house was crowded and all gave evidence of ap-

proval of every part of the program but particularly the Flower Drill which was given by ten girls, each wearing a crown of roses and carrying beautiful bouquets in their hands.

**Council Tomorrow Night.**—The Marshfield city council will meet Tuesday evening and take up a number of street improvement matters. The application of R. T. Durett for a telephone franchise is also likely to come up.

**Children's Day Exercises.**—The annual Children's Day exercises of the Presbyterian church Sunday school were held yesterday morning and were largely attended. A pleasing program was carried out, the participants winning the approbation of all in the audience.

## Buy Your Wife a GAS STOVE

It converts the drudgery of the kitchen into a pleasure. It reduces a woman's housework one-half. You can sleep later in the morning as the fire does not have to be made a half-hour before time to cook.

Call at the office and see those instantaneous water heaters. Turning on the cold water lights the gas and heats the water in one minute, turning the water off shuts off the gas.

You would not think of going back to the old kerosene lamp after using electric light, would you? Well, when you have once used a gas stove nothing could induce you to use anything else.

## BAD ATTACK OF DYSENTERY CURED.

"An honored citizen of this town was suffering from a severe attack of dysentery. He told a friend if he could obtain a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, he felt confident of being cured, he having used this remedy in the West. He was told that I kept it in stock and lost no time in obtaining it, and was promptly cured," says M. J. Leach, druggist of Wolcott, Vt. For sale by JOHN PREUSS.
