Score by Innings:  
Marshfield. 2 0 0 0 0 3 2 2—9.  
N. Bend . . . 0 0 2 0 0 0 0 0—2.

**Notes of the Game.**  
Jake Goldie got a severe jolt on the left cheek from the first ball over. It put him out of the game but Jake is thanking himself that it didn't strike a few inches higher up or a little farther back as the speed would have meant a broken bone at least. His face is badly swollen and the injury painful, but he declares that it will take more than that to put "Old Man Goldie" out of the game for good.

Owen, a new addition to Marshfield, showed up very well yesterday and made a hit with the local fans by his batting, base running and fielding. He formerly played at Stanford as did Theile and Rutledge. Some of the North Bend fans are inclined to blame their defeats to their batteries but they will probably find that the weakness of the team is in other places and the lack of systematic team work at all stages of the game.

The attendance at North Bend yesterday was fully as good as at Marshfield a week ago when the paid admissions, exclusive of season tickets, totalled about 550. Knowing ones say that between a third and a half of the audience was Marshfield's people.

The Marshfield team will be accompanied to Bandon next Sunday by a large crowd of rooters, many planning to go down Saturday evening in order to avoid the long journey there and back Sunday. While the Marshfield contingent feel certain as to the outcome of the game, there is a feeling that Bandon is likely to put up a better article of ball than is now anticipated.

## COQUILLE WINS GAME.

Defeats Bandon By Score of 7 to 4 Sunday.

(Special to The Times.)  
COQUILLE, Ore., June 15.—Coquille defeated Bandon here yesterday by a score of 7 to 4 in one of the prettiest games seen in years on these grounds.

Coquille had 8 hits and 7 errors while Bandon had 5 hits and 8 errors. Peralto and Collier were the battery for Coquille and Hohn and Myers for Bandon.

The Coquille will be further strengthened by the returns of some of the old players.

## WINDOW BOX ART.

Foreign Cities Rival American Towns in Floral Beauty.

The American who goes to a German city—Berlin, for instance—is impressed first of all with the beauty of his surroundings. The whole city seems to be one great flower garden, and yet there are not as many lawns in evidence as there are right in our cities.

The secret of this is in the lovely window gardens. Block after block of stone apartment houses or pensions are built close to the sidewalk, yet they give the appearance of one big garden of green and bright warm color. From almost every window the bright red geraniums, so dear to the heart of the German women, and other luxurious blossoms mingled with an abundance of greenery and trailing vines may be seen. Window boxes such as an American never dreamed of are perched four or five stories high on tiny balconies or broad window ledges.

The result is that the whole town seems all abloom in the summer time. For some time past attempts have been made to promote this window box art here in America. An article in the current number of Harper's Bazar calls attention to this fact.

"In New York," so the writer states, "the Municipal Art society is unremitting in its efforts to have the boxes placed on both public and private dwellings, and the custom is growing, though not as rapidly as it should.

"Our American cities," the writer goes on to say, "are not beautiful architecturally, but their effectiveness and attraction would be greatly increased were this simple use of window boxes made universal, for any traveler knows that one of the prevailing charms of foreign cities is the wealth of flowers seen everywhere, from the stalls at the foot of the Spanish steps to the countless rows of boxes that conceal much of the grime and gray of the London house fronts."

Mrs. George Lester was in from the farm—the Self place above town, Saturday. She brought in for us a nice lot of new potatoes, the first from their garden, for which they have our thanks.—Coquille Herald.

# WILL ELECT A DIRECTOR

School Election This Evening Excites Considerable Interest.

There is considerable interest in the Marshfield school election tonight as a result of the announcement that an effort would probably be made to have a woman elected to fill the vacancy caused by the retirement of W. B. Curtis as director. No definite announcement had been made today concerning the candidates although the names of several ladies are being mentioned for the place.

The friends of W. S. McFarland have placed his name in the field and are making an active canvass for his election. It has been favorably received and in the absence of any pronounced opposition he will probably be selected.

The matter is being left generally until the election which will open at the school house at 8 o'clock this evening. It is expected that a large number of women will take advantage of the opportunity to vote.

In addition to electing a director, the voters will pass upon the advisability of merging with District No. 85, the new district which comprises Bunker Hill, Bay Park and vicinity. John F. Hall will undoubtedly be re-elected clerk, a position which he has filled for sixteen years.

## HINTS FOR HOUSEKEEPERS.

If many of the books look shabby in the bookcase cover them with tan mofre paper. They can be marked on the back with India ink.

Apple stains on the hands can be removed by rubbing them with the inside of the apple peel or with a little lemon juice. Rinse in clear water.

Cups and jugs often show a want of strict cleanliness about the handles. This is easily prevented by an occasional scrubbing with a small well soaped brush.

Never place a good piece of furniture very near a fireplace or register. The heat dries the wood and glue, often causing rot where the parts are joined together.

Should the oven get too hot while baking put a cup of cold water in rather than leave the door open. In baking delicate cakes in a gas stove it is nearly always desirable to keep a small dish of water in the oven.

To blacken tan boots wash the leather in rather strong soda water, but do not saturate it. When quite dry black the boots all over, using the cut half of a potato instead of a brush. Black thoroughly, then polish with a brush as usual.

Vaseline stains on linen should be removed before the garments are washed, for, though the stains only look like grease, soap sets them. The right plan is to soak these stains in kerosene, turpentine or alcohol before putting them in water.

Starching and Ironing of Muslin. All muslin should be starched wet. If put into the starch dry it never looks clear.

Prepare some starch and thin it to the consistency required. This depends upon what the muslin is wanted for and according to the degree of stiffness you wish. Be sure to have the starch clear.

Dip the muslin into it, putting in those white articles you wish stiffest first. Let the starch soak well through, then wring well, running them twice at least through the wringing machine.

In starching colored muslins do not let the starch be too hot or it will destroy the colors, and never put things through the wringer directly out of boiling starch, as it ruins the India rubber rollers.

Must Have Stone Fountains in Gardens. No matter whether your garden is of the wide reaching Italian made sort or is just a natural bit of ground covered with untrained flowers, you should have a stone water basin in it. These artistically hewn rocks have become popular with the owners of country places, even small ones. One great merit of the pretty accessory is that it attracts birds.

## NOTICE.

At a special meeting of the Board of Directors of the Davis-Schultz Company, held in their offices at North Bend, Coos county, Oregon, May 4th, 1908, at 11 o'clock A. M. it was unanimously voted to change the incorporate name of the Davis-Schultz Company to "Western Oregon Company, Wholesale Grocers," effective June 1, 1908, and supplementary articles of incorporation have been duly filed with the secretary of state accordingly, as by law provided.

(Signed.)

W. P. EVANS,  
Secretary.

## NORTH BEND EXERCISES.

Children's Day Program at Presbyterian Church Well Attended.

The Children's Day exercises at the Presbyterian church in North Bend yesterday were largely attended and the program was more than pleasing. The church was prettily decorated with flowers and bunting for the occasion. After the opening prayer by the Rev. J. E. Burkhardt, there was scripture reading by Superintendent L. Metzler of the Sunday school. Other numbers on the program included a recitation by E. Van Zile, song by Miss Ellen Anderson, choruses by Miss Anderson's class and the school, a primary song by Mrs. Metzler's boys' class, a recitation by Archie Vaughan, solo and chorus by Misses Lillian McCann, Ellen Anderson and Alice Carlson, recitation by Ellen Adams and a recitation by E. Chapman. The program was well rendered throughout and today the various members who contributed to it are being highly praised by those who were lucky enough to be in attendance.
