## STRENGTH

In a bank lies, first, in the ability and experience of its officers. "The men behind the gun;" second, its board of directors who advise with and direct the officers; and third, the Capital.

**LIBERALITY**—In a bank is its willingness to furnish funds to depositors to assist them in carrying on their legitimate business. Our motto is:

**"STRONG AND LIBERAL"**—Look us up and if you find us deserving, give us your business.

**New Roseburg Stage Line.**—F. E. Wilson expects to start his new stage line between Coos Bay and Roseburg on Saturday. W. J. Butler has been appointed agent for the new line. Detailed announcement and schedule will appear in The Times later in the week.

**To Sing "Coos Bay."**—The chorus that rendered "Coos Bay" so acceptably under the direction of Prof. Todd, in this city, recently, has accepted an invitation to reproduce the song at the next Chamber of Commerce meeting. Whether this will be held Friday evening or a week from Friday, Secretary Walter Lyon has not determined.

**Injures His Arm.**—August Farley, former owner of the Blanco Hotel Barber Shop, severely injured his arm while on a trip up Coos river. He fell, striking on his arm, dislocating the elbow and fracturing the limb. The injury is a very painful one but Dr. Houseworth, who attended him, does not anticipate any lasting effects from it.

**Withdraw From Remonstrance.**—The Rev. Father E. Donnelly and S. P. Rogers, it is announced, have withdrawn their names from the petitions remonstrating against the improvement of West 'C' Avenue. It is stated that they did not understand the improvement when they signed the remonstrance and that certain parties misrepresented it to them.

**Property Owners to Meet.**—James T. Hall has issued calls for a meeting of Prospect avenue property owners to be held in the office of Justice Penneck, Saturday evening at 7:30 o'clock to discuss the proposed improvement of the thoroughfare. **Babe Has Narrow Escape.**—The three-year-old child of Mr. and Mrs. James Ohland who reside near the depot had a narrow escape from death last night. The child fell from a porch eight feet high, striking its head on the sidewalk. While the little one was quite severely injured, the hurts are not considered serious. Everyone has marvelled that the little was not killed outright. This is the third accident at the same place within a week, all the result of not having a railing around the porch.

**Early Mass Here Sunday.**—Owing to the absence of the Rev. Father
