BIG WEDDING AT ALLEGANY

Over 150 Guests at Double Wedding at G. A. Gould Home on Coos River Last Evening.

The double wedding of Misses Grayce and Georgia Gould to C. V. Woodruff of Langlois and Dr. Richmond of Coquille, respectively, at the home of the brides' parents, Mr. and Mrs. G. A. Gould, near Allegany last evening, was one of the most largely attended nuptials that have ever been solemnized in Coos county. More than 150 intimate friends and relatives witnessed the ceremony which was performed on a barge in the river by the Rev. Mr. Gordon, pastor of the Coquille Methodist church.

The large barge was handsomely decorated and was lighted with Japanese lanterns. On one side, a bower was constructed of green, trimmed in roses and myrtle, and underneath this, the ceremony was performed. Herman Edwards and Miss Lucia Gould acted as groomsmen and bridesmaids for C. V. Woodruff, and Miss Grayce Gould and Mr. Barker of Coquille and Miss Millie Gould as groomsmen and bridesmaid for Dr. Richmond and Miss Georgia Gould.

Following the ceremony, refreshments were served. Then followed the congratulations and presentation of the many handsome gifts to the estimable young couples. The reception closed with songs in which all joined.

Dr. and Mrs. Richmond will go at once to their handsome new home at Coquille. Mr. and Mrs. Woodruff will go to Langlois where the groom is engaged in business and is acquiring a reputation as an artist.

ALL ABOARD for the Epworth League Picnic tomorrow at Piper's Grove.

LIBBY COUPLE WEDDED IN MARSHFIELD TODAY.

James Cunniff and Mary Columbo Married at Catholic Church This Morning.

James Cunniff and Miss Mary Columbo, both of Libby, were united in marriage with nuptial mass at St. Monica's Catholic church in Marshfield this morning by the Rev. Father Curley. Miss Nora Cunniff, sister of the groom, acted as bridesmaid and James Wilson as groomsmen. Only immediate friends and relatives were present. Following the ceremony, the party was served a wedding breakfast by Mrs. Early at the Catholic parsonage.

The young couple will live at Libby and a host of friends there and on Coos Bay will unite with the Times in extending congratulations.

NOTICE TO BIDDERS.

Notice is hereby given that bids for the construction of a new school building in school district No. 9 will be received at the office of John F. Hall, Marshfield, Oregon, up to 12 o'clock noon, Friday, July 16, 1908.

Something for you to Investigate

A Proposition that will Bear the Closest of Inspection

193 Acres Farm, 5 miles from Marshfield--One among the best-buys that has ever been offered to investors. Fine location, the best of Sandy Loam; all can be cultivated.

There is being planted 30 acres of potatoes which produce about 350 bushels per acre, or from 15,000 lbs. to 20,000 lbs. per acre. The selling price which stands about normal at digging time, \$1.00 per hundred.

The Dairy Department is netting about \$10.00 per day at present.

This bargain can be had with improvements for \$20,000; with personal property, \$22,000. This brings you the best of land on Coos River at a price of \$103 per acre, and all can be cultivated. Half cash, balance on easy terms.

Dairy farm on Catching Inlet, good water transportation, daily boat service, county road to city of Marshfield. Telephone to all parts of the country. Modern and up-to-date residence, good large barn. 80 to 90 acres bottom land under cultivation. Hill and bench land, good clay and clay loam soil adapted to grass, fruit, vegetables, the coal underlying this land is worth the price. Located on county road, and principal waterway 6 miles from Marshfield.

Price -----\$55.26 per acre.

We are located on corner of 'C' and Front streets, Marshfield, Oregon. All information free. Will arrange for you to investigate any propositions we have. You are under no obligations to us for looking over the buys. Boat at any time and automobile service.

Buy Your Wife a GAS STOVE

It converts the drudgery of the kitchen into a pleasure. It reduces a woman's housework one-half. You can sleep later in the morning as the fire does not have to be made a half-hour before time to cook.

Call at the office and see those instantaneous water heaters. Turning on the cold water lights the gas and heats the water in one minute, turning the water off shuts off the gas.

You would not think of going back to the old kerosene lamp after using electric light, would you? Well, when you have once used a gas stove nothing could induce you to use anything else.

The Verdict of the Ladies

(And who could be better jurors in such matters?) is unanimous when it comes to a trial of bread, pies, cakes and all forms of pastry, in our favor. To quote another: "There's a reason," to wit: Fine flour blended, honest mixing, conscientious kneading, just the right ingredients, the proper oven, and a watchful eye keenly alert to general results. We'd like to bake for you. A little order will prove whether we should or not. We want that sample order.
