STRENGTH

In a bank lies, first, in the ability and experience of its officers, "The men behind the gun;" second, its board of directors who advise with and direct the officers; and third, the Capital.

LIBERALITY—In a bank is its willingness to furnish funds to depositors to assist them in carrying on their legitimate business. Our motto is:

"**STRONG AND LIBERAL**"—Look us up and if you find us deserving, give us your business.

Flag at Half Mast.—The Millco-Club flag was hung at half mast today as a tribute to the memory of former President Grover Cleveland who will be buried from his home in Princeton, N. J., this afternoon.

New Residences.—Dr. W. A. Toye has awarded the contract for a new residence on his lots in Western Addition. He hopes to have it completed by the latter part of September. Dorsey Kretzer's fine new home in South Marshfield has practically been completed.

Brother Dies at Frisco.—Mrs. May Olson of Empire City has been notified that her brother, Thomas Williams, was found dead at his home in San Francisco Tuesday morning. Heart disease was probably the cause. The deceased visited Mrs. Olson last November and was formerly employed by the Union Iron Works.

Complain About Sprinkler.—Several people have entered protests during the last few days concerning the carelessness of the driver of the sprinkler wagon in turning the water so as to "soak" pedestrians. Yesterday, a number who happened to be on Front street, near "B" street, became highly incensed when Mrs. J. L. Durand and daughter were "soaked" and threats were made of having the driver arrested for his carelessness. Marshal J. W. Carter will probably be appealed to in order that the driver will be compelled to exercise a little care.

In Dry Dock.—The Portland Oregonian of Wednesday says: "The steamer Breakwater has been ordered into drydock immediately for extensive repairs, and will probably be out of commission for a month or more. On account of there being no available steamer to replace the Breakwater, the Coos Bay service will be discontinued for the present."

The Oregonian was evidently misinformed as General Manager C. J. Mills has arranged for the Breakwater to go to San Francisco for annual inspection and for the Panama to take her place on the Portland-Coos Bay run.

Young Couple Weds.—Raymond Lee and Phoebe J. Hay were united in marriage at the Snyder hotel on Front street, this afternoon, by the Rev. D. W. Thurston of the First Baptist church. The young couple will reside in Marshfield.
