Golden Gate LARD Is the Best

Buy Your Wife a GAS STOVE

It converts the drudgery of the kitchen into a pleasure. It reduces a woman's housework one-half. You can sleep later in the morning as the fire does not have to be made a half-hour before time to cook.

Call at the office and see those instantaneous water heaters. Turning on the cold water lights the gas and heats the water in one minute, turning the water off shuts off the gas.

You would not think of going back to the old kerosene lamp after using electric light, would you? Well, when you have once used a gas stove nothing could induce you to use anything else.

J. D. GOSS returned yesterday from an over Sunday fishing trip to Ten Mile. He brought back a nice string of trout with him. It has been intimated that the anxiety of Coos Bay fishermen to bring back nice strings of fish has resulted in advance in the fish quotations at Ten Mile, much to the gratification of the fishermen there.

F. E. HAGUE who recently purchased the Pioneer Hardware Company, has returned from San Francisco where he went a few weeks ago to purchase new goods. He has assumed the management of the store and is being warmly congratulated by the numerous friends he made during his previous connections with the store of which he has become proprietor.

Coos Bay has been stopped for two or three days. Manager L. R. Robertson has a force of men at work repairing the cable but owing to the tide, they can only work about fifteen minutes at a time with long intervals between the opportunities.

Anderson to Prison.—Sheriff W. W. Gage left Coos Bay at 3 o'clock this morning via Drain for Salem with "Mazook" Anderson, who is to serve five years for the murder of Mrs. E. S. Gordon. "Mazook" maintains that he should have been freed, that he shot only in self-defense and that he will be acquitted on the new trial which he confidently expects to secure. He did not talk about the reports concerning his health and which, according to rumors, may be made the basis for an early application for a pardon.
