The Verdict of the Ladies

(And who could be better jurors in such matters?) is unanimous when it comes to a trial of bread, pies, cakes and all forms of pastry, in our favor. To quote another: "There's a reason," to wit: Fine flour blended, honest mixing, conscientious kneading, just the right ingredients, the proper oven, and a watchful eye keenly alert to general results. We'd like to bake for you. A little order will prove whether we should or not. We want that sample order.
