

NORTH BEND 2, MARSHFIELD 4

(Continued from Page one.)
Bend 6; wild pitches—Theile 1; passed balls—Flanagan 1.
Time of game—Two hours.
Umpires—Dr. Gale and Al. Felter.

Notes of the Game.
Al. Felter and Dr. Gale, umpired a fine game and deserve a great deal of credit for taking what is usually such a thankless job. There was almost no kicking, and the players as well as the bleachers were pleased with the decisions.

Thiele pitched his usual brilliant game allowing, but three hits and getting ten strike outs. He used a change of speed with good effect, but as Marshfield had a good lead from the start he didn't feel that it was necessary to do his best all the time. Owen's fielding was of the sensational kind, getting two put outs and an assist in one inning. Of course, he made his usual hit—but this time it was only with the ladies.

From the spectators' standpoint, the game was not as interesting as the Coquille-Marshfield game of a week ago, but as to the final result was much more gratifying to Manager Mickey and the boys.

McCutcheon returned this morning just a little too late to participate in yesterday's game, but he will be in the game next time and much to the gratification of the fans.

Dimmick showed up well at first and while he failed to get a couple of ground balls, he made up for it with the stick.

Charlie Keane played star ball for North Bend as did Kelly and Manion also.

COQUILLE AND BANDON ROW.

Clubs Disagree About Location of Game and Fail to Play.
The management of the Coquille and Bandon teams clashed yesterday as to the location of Sunday's game and in consequence, no game was played. Bandon insisted that the Coquille team was to come there and Coquille insisted that Bandon was to come to Coquille and each claimed that the schedule showed each was right. Bandon didn't play and Coquille played an exhibition game with Johnson's mill. The matter will probably be left to the executive committee of the league to decide.

GAMES ON FOURTH.

Coquille Defeats Marshfield and Bandon Defeats North Bend.
The exhibition games at Coquille, July 4th, resulted in a victory for the valley teams, Bandon defeating North Bend in the forenoon by a score of 6 to 1, and Coquille defeating Marshfield in the afternoon by a score of 8 to 5. Both were good exhibition games and the big crowds were more than satisfied.

The lineup of the teams was slightly changed on all teams, each saving up their batteries for the regular league games on Sunday. Bryan of Marshfield caught for North Bend in the morning and Gaffney of North Bend pitched for Marshfield in the afternoon, Bryan catching in Rutledge's place.

Between 200 and 400 Coos Bay people attended the Coquille celebration Saturday and everyone reports that it was a great success.

Sealed bids will be received by the Board of Directors of School District, No. 85, until 8 o'clock p. m., Saturday, July 11, 1908, for clearing, grubbing and leveling schoolhouse site one hundred and fifty by two hundred and thirty feet, near Bunker Hill. For specifications and particulars, see J. D. McNeill. The board reserves the right to reject any or all bids. Address bids to
