The Verdict of the Ladies
(And who could be better jurors in such matters?) is unanimous when it comes to a trial of bread, pies, cakes and all forms of pastry, in our favor. To quote another: "There's a reason," to wit: Fine flour blended, honest mixing, conscientious kneading, just the right ingredients, the proper oven, and a watchful eye keenly alert to general results. We'd like to bake for you. A little order will prove whether we should or not. We want that sample order.

CURRY COUNTY NEWS.
Items of Interest as Told by the Wedderburn Radium.
A baby girl has arrived at the home of Mr. and Mrs. E. R. Miller. Will Caughell and Chauncey Woodruff were out fishing last night, getting thirty-six, which is the most any boat has gotten yet. It is expected there will be a good run of salmon from now on.
M. Doyle has received a communication from the wool firm with which he deals and is not able to draw much encouragement from its import. The opinion expressed by Mr. Doyle is that Curry county farmers may not expect to realize as good prices as they did in 1907.
John Woodworth had the misfortune to break the propeller on his launch last Sunday. Ed. Hutt now takes the mail over the trail again. Mr. Woodworth thinks that steamboating is about over for this summer, as the riffles are getting very shallow.
Mr. and Mrs. W. E. Thresher, who had been residents of Wedderburn for the past year and a half, departed for eastern Oregon the fore part of the week. During the time Mr. Thresher had charge of the Radium as its editor. Mr. Thresher desired to enter a different field, and so purposes to eventually locate in Echo, where he will take up newspaper work again. In their removal, Wedderburn loses a family it had learned to esteem for true worth.
