HIGHER PAY FOR WITNESSES.

There are a few—not many—persons in Oregon who will learn with satisfaction of the new order from the United States attorney general to the effect that witnesses in the federal courts will in future receive \$3 per day instead of the measly little sum of \$1.50, which has been the pay for all these years.

BLACK HAND METHODS.

An Italian of prominence in the best circles of his countrymen in New York states in the North American Review that there is no Black Hand society in the United States. It is extremely unlikely that this gentleman knows what he is talking about.

Whether there is an organized gang here or not, deeds are committed almost every day in districts populated with Italians which are black enough to have been instigated and executed by the most hardened desperadoes of Naples and Sicily.
