

# BODE IS NEW COUNCILMAN

### Named by Mayor L. J. Simpson to Fill Vacancy On North Bend Council.

At the regular meeting of the North Bend city council last evening, Mayor L. J. Simpson appointed F. E. Bode to fill the vacancy on the council caused by the resignation of Frank Moss who moved to Nevada a few months ago. Mr. Bode is head of the North Bend Sash and Door Factory and is one of the most prominent and progressive business men of Coos Bay. North Bend citizens are feeling highly elated over his selection for the place.

The number of saloons in North Bend was increased by one, a license being issued to John Olson to open the place formerly run by Fred Johnson. The license held by the late Tom Cook was transferred to Chris Ghros.

The discussion of the proposed change in the projected paving from plank to asphalt was postponed until the next regular meeting. The paving cannot start for sometime owing to the determination of the council to put in sewers, water-pipes, etc., before the paving is put down.

The news has reached his many friends here by the usual grape vine route but is accompanied by many marks that substantiate it, even to the name of the bride, who is said to be a charming young lady, Miss Mary Ann McGuire of San Jose. The young couple will return on the Plant and John's many friends are preparing to give him a royal welcome home.

# MARSHFIELD, OREGON

July 1st, 1908

I have purchased the stock of the Pioneer Hardware Company, Marshfield, Oregon, formerly owned by Eugene O'Connell, E. K. Jones, and others, and have assumed management and control of same. It will be my earnest endeavor to please all my customers in the way of good goods, low prices and courteous treatment.

My long experience in the retail business in your community, as well as my late experience as salesman on the road for Baker & Hamilton, of San Francisco, combined with my vast facilities for handling stock, enables me to purchase my goods and place them in your hands at a much lower figure than my competitors.

In order to establish myself and get in touch with the trade, I will, for the first thirty days beginning July 1, 1908, make a special 10 per cent reduction on all cash purchases.

Respectfully yours,

FRANK E. HAGUE, Mgr.

# Success! Success! Success!

NOTHING succeeds like success." One year ago we started in business with a small capital, in the little store-room under the Eckhoff Hall, and are pleased to say our patrons have helped us make a success of it. The demand for furniture and house furnishings has increased so rapidly that we have found it necessary to enlarge our stock; to do this we needed more room. We now have a fine new building, opposite the Postoffice, on Sherman avenue, and are now arranging our new stock, and are ready to serve our patrons and friends in a much more satisfactory manner. We wish you to come and see our new store. Do not wait till you need something in our line, but come; you will always find us glad to see you.

We have five suites of two rooms each on the second floor, which will be rented for light housekeeping. They are fitted with gas ranges and steam heat and furnished. Will rent by week or month. The most up-to-date place in the city.
