MARSHFIELD, OREGON.

MARSHFIELD, OREGON

July 1st, 1908

I have purchased the stock of the Pioneer Hardware Company, Marshfield, Oregon, formerly owned by Eugene O'Connell, E. K. Jones, and others, and have assumed management and control of same. It will be my earnest endeavor to please all my customers in the way of good goods, low prices and courteous treatment.

My long experience in the retail business in your community, as well as my late experience as salesman on the road for Baker & Hamilton, of San Francisco, combined with my vast facilities for handling stock, enables me to purchase my goods and place them in your hands at a much lower figure than my competitors.

In order to establish myself and get in touch with the trade, I will, for the first thirty days beginning July 1, 1908, make a special 10 per cent reduction on all cash purchases.

Respectfully yours,

FRANK E. HAGUE, Mgr.
